

# The Navajo Heights Choir

All fourth and fifth graders are invited to join The Navajo Heights Choir! This is a great opportunity for students to sing together. Below is some information for you and your singer, and a link to our Google registration form.

## Benefits of joining choir:

- Singers will learn how to work together in an ensemble while developing healthy singing technique
- Singers will learn fun and challenging repertoire
- Singers will demonstrate responsibility through proper rehearsal etiquette, practicing repertoire at home, and performing for an audience

## Navajo Heights Choir Information:

Choir Rehearses both Wednesdays **before school** (PLC days only) and Wednesdays **after school** (on regular school days). An email reminder will be sent early in the week to remind you if the current week has an AM or PM rehearsal.

- Students should be dropped off **promptly at 7:15** or picked up **promptly at 3:30**
- The first rehearsal is **Wednesday, September 4th (after school)**
- Students can participate in both band and choir without conflict, with the exception of fourth grade percussion members. A shared schedule will be created between Ms. Miller and Mr. Everson to make both ensembles accessible to all students. Students are encouraged to participate in both ensembles if they would like.

## Choir Concerts

Choir students will be expected to perform at the following events:

- Navajo Fine Arts Night - Thursday, January 23rd (evening)
- Navajo/Chippewa Choir Concert - Thursday, April 30th (evening)
- Navajo Awards Ceremony - Date in May TBD (during school day, parents invited to attend)
