RE: LSBA Annual Video Contest

I am writing to announce LSBA's annual "Louisiana Believes in Public Schools!" video contest. An award of \$1,000 will be given to the winning school in each of Louisiana's five districts to further their educational initiatives!

This year's theme, "***What Does Public Education Mean to Me?***" focuses on thoughts including but not limited to whether it's been a good experience for the student, how they have benefited from it, and what they envision for the future of public education. An informational flyer, a copy of the judging rubric, and the release forms are attached for your reference.

Videos must be between 30 seconds and 2 minutes long, with all work consisting of original content. The due date for submission is **Monday, January 16, 2023.** The rules and guidelines for participation are attached.

Additionally, **only online entries** will be accepted. Schools/districts are required to upload their video entry to Google Drive and send a shareable link by email to LSBA at rcosenza@lsba.com.

We look forward to seeing the talent that Louisiana has to offer!

Best,

Janet
