

Dear Prairie School Families,

Reminders:

- Concession stands will NOT be selling water again this year. FBLA uses the vending machine to sell water as their main fundraiser, as well as for part of their business management curriculum. Change can be obtained from the concession stands if needed. We thank you for supporting our FBLA members and understanding why the concessions does not want to take away from their funding source.
- PreK-4 will run a concession if there are extra open concessions that need filled. 5-8 runs one concession and 9-12 will run two or three depending on spending needs.
- School groups, such as STUCO or FFA can run concessions as well, if funding is needed for the group. So please be aware that your student may be involved in more than just their class supper(s) if they are involved in another extracurricular activity.
- High school students are expected to work at least one shift, for each event their class takes on, in order to receive their full amount of spending money during their senior trip. Sponsors keep records on work completed at 9th-12th grade events and spending money is given out in direct correlation to work put in.
- Due to changes in the front office bookkeeping and accounting, there will be NO tabs allowed. This means everyone attending games must have cash on hand or be able to write a check for the price at the time of purchase.
- To help reduce chaos in the kitchen, only students who are working for their class will be able to work in the kitchen on their assigned night. No siblings or friends will be allowed.
- To help minimize chaos in the kitchen and risk of injury for elementary class suppers PreK-5, a parent MUST accompany their student during their shift. No siblings or friends will be allowed.
- Please remember that game dates and locations change often, so this schedule is not set in stone. We will do our best to keep families up to date.

Thank you for taking the time to understand our concession policies and for all you do for our students and our school!

Sincerely,

Your Prairie Class Sponsors
