Hey There! Welcome to Thrillshare!

We recently released a redesign, so things may look different than the last time you visited. Don't worry, all of the features are still where they've always been, but with an updated look and workflow. Hopefully this makes Thrillshare even easier for you to use.

As for this screen ([the dashboard](#)), we have features in development for this page, but until they are ready to be released we are going to use this area for occasional updates.

As always, thank you so much for being part of the Apptegy family! We love hearing from you, so please get in touch with any questions, feedback, or good ideas for weekend plans!

Contact Us

- Within Thrillshare via the message button
- Call us at 501-613-0370
- Email us at support@apptegy.com

We're in the office from 8-5 central time, but don't let that stop you from letting us know how we can help. We'll get right on it as soon as we can!
