

JQE Alternative Arrangements for Nontraditional Students JQE

Married students, pregnant students and students who are parents shall have access to the same educational opportunities, special services and extracurricular activity considerations provided to other students.

A pregnant student may be required to provide a physician's release statement to be allowed to participate in school activities.

If there is a delay in obtaining a physician's release statement, in the student's best interest, the administration may deny activity participation until the permission slip is made available.
