Welcome to Northern Cass School, “Home of the Jaguars”. Education is a cooperative venture between learners, parents, teachers, and administrators working toward the goal of the betterment of young people and the community. The key to cooperation is communication and an understanding of school procedures and expectations. The purpose of this handbook is to provide an important source of information for Northern Cass Public School learners and parents. We have tried to anticipate what you will need to know to make this school year successful. We urge you to read this handbook and keep in mind that it is not an all-inclusive list of rules, but rather an outline of expectations and procedures, which contribute to the operation of our school. For more detailed policies and procedures, please stop by the school office. If you have any questions, please see your child’s classroom teacher and the building principal. It is important that everyone involved thoroughly understand the organization, regulations, and activities of the Northern Cass Public School. Failure to know the contents will not excuse a learner from following the adopted policies.
Northern Cass 'Why'
We believe every child can change the world; therefore, we will provide a world class education.

Collective Commitments
We are dedicated and passionate about relationships, teaching and learning, self-reflection, acknowledging greatness, and support the Northern Cass community.

We are driven towards continuous improvement.

Academic
The learner’s years in school are a stepping-stone for eventual career development as well as a continuing process of maturity and socialization. The administration encourages each learner to plan their course of study as well as concentrating on completing the requirements for graduation and receiving a diploma from Northern Cass Public School.

ACCREDITATION
Northern Cass Public School is accredited by AdvancED and the Department of Public Instruction (DPI).

GRADUATION REQUIREMENTS
A minimum of 24 units of credit and eight semesters of attendance shall be required for learners to graduate from Northern Cass Public School. A unit of credit is earned through class attendance during the 175 days of the school year and successful completion of the requirements of the course.

NDCC 15.1-21-02.3 provides for an optional high school curriculum. Learners and parent(s)/guardian(s) will be notified when a learner qualifies under this law.

One-half unit of credit is given for each semester of any full-year course. If a learner fails either of the semesters of a full-year course, the learner shall retake the semester(s) that was/were failed.

Learners are classified at the beginning of the school year by the number of credits earned and not by the length of time they have been in high school. The minimum credit requirements are stated below:

Seniors may be able to finish their senior year in high school by the end of the first semester of their senior year if they have met all graduation requirements for the Northern Cass School District. All requirements for graduation must be completed before the date of graduation for a learner to receive a diploma on the day of graduation.

Note: Each learner must complete 25 hours of community service to graduate starting with the class of 2020-21. Current Seniors must complete 18.75 hours. Seniors must also complete a capstone project at a proficient level (assessed by school and community evaluators) to graduate.

Requirements not completed before the date of graduation must be completed before school begins again in the fall for the learner to receive their diploma.

No learner may take any correspondence/summer school course in lieu of any course offered by Northern Cass Public School unless the learner has failed the course previously and schedule conflicts make correspondence the only alternative. Permission is given at the discretion of the administration for any required or elective course the learner wishes to enroll in. All correspondence course work taken will be at the learners’ own expense unless waived by the Superintendent due to scheduling conflicts.

All correspondence and online class work must be completed and documented as receiving credit by no later no later than the last Friday before graduation.

GRADUATION EXERCISES

Only learners who have completed all credits, coursework and graduation standard requirements for graduation may participate in graduation exercises and receive a diploma. Participation is encouraged but not compulsory.

A learner not completing all requirements by the date set for graduation and not participating in the exercises may still receive a diploma for that year, if all graduation requirements are met before school begins again in the fall of that year.

All learners participating in graduation ceremonies, as diploma candidates will wear caps and gowns as prescribed by the school. Learners will be expected to attend rehearsal if they intend to participate in the ceremonies.
DAILY SCHEDULE

Northern Cass 6th-12th grades will utilize a modified block schedule, consisting of eight phases. There are eight phases throughout the week, with each phase meeting for 225 minutes a week. The first phase begins at 8:30 a.m. The last phase will conclude at 3:30 p.m. Classes will not be held every day as the modified block schedule is like a college schedule. There will be advisor periods built into the schedule, in which all learners will meet with an academic advisor for a minimum of 80 minutes on Tuesdays and Thursdays.

Professional Learning Communities (PLC) will continue to be held every Wednesday for staff. The day will begin for learners at 9:00 a.m. Bus routes will run as normal on these days.

GRADING SCALE

The following grading scale will be utilized at Northern Cass for grades 6-12:

HOMEBWORK POLICY

Daily work, sometimes referred to as formative assessment, is an important part of the learning process. This work is designed to guide the learner through the learning process by giving them feedback on their progress towards the learning outcomes of the unit. Some of this work is collected by the classroom teacher and assigned a grade with feedback and some of this work will receive feedback without a grade. At times, this work needs to be completed outside of the regular class period. The extra time spent outside the classroom allows each learner additional practice and furthers their understanding of the classroom content. When a learner chooses not to complete daily work, they are losing an opportunity to further their learning and receive valuable feedback on their progress towards the learning outcomes of the current unit.

The following policy demonstrates the value Northern Cass puts on daily work for each course:

Daily work done in a timely manner is an essential part of the learning process and therefore will have a due date set by the classroom teacher.

- Learners who do not keep up with the required pace set forth by the educator will have points deducted from their Habits of Work and may lose eligibility for activities and/or other privileges.
- Learners may be assigned resource time to make-up homework
- Note: Final determination is up to the discretion of the individual teacher.

HABITS OF WORK

All learners will be assessed on Habits of Work. The three components of Habits of Work are Respect, Engaged, and Preparedness (REP). Learners will be assessed by their educators on a regular basis. Parents and learners (5th-12th) can access a weekly progress report located in Empower. Habits of Work will start new every nine weeks (secondary).

An eligibility report will be run every week to get results of learner progress and Habits of Work in all classes. Any learner with a Habits of Work grade below 2.5 (in any of the three areas) OR behind pace (as set by the educator) in two or more classes will be ineligible until they meet the requirements set forth by the policy. Eligibility will run from Monday to the following Monday. All information for eligibility is collected the previous Friday. If a learner is ineligible at the end of a 9 week grading period they will remain ineligible for 2 weeks of the next grading period. This also includes online and/or independent courses.

Each learner will receive a Habits of Work grade in the above areas. A 4 is exceeding expectations, a 3 is meeting expectations, a 2 is occasionally meeting expectations, and 1 is rarely meeting expectations.

HONOR ROLL

Honor rolls will be published after each grading period. Learners who average 3.50 and above will be on the “A” honor roll, while learners who average between 3.00 and 3.49 will be on the “B” honor roll. Learners taking dual credit and advanced placement classes will have that class based on a 5-point scale instead of a 4-point scale for the increased rigor of the course. There will be no rounding of grades for the honor rolls. Learners must receive a grade in all courses in order to qualify for the honor roll.

REPORT CARDS AND CONFERENCES

Report cards are issued at the end of each nine-week period to inform both the learner and parent(s)/guardian(s) regarding learner progress. Parent/teacher conferences are scheduled twice a year. Report cards will be mailed home at the end of the other two nine-week grading periods.
FINAL EXAMINATIONS

Near the close of each semester, a final examination and/or a cumulative project in each subject is given at the discretion of the instructor. The grade received on this final examination is an important part of the final grade.

COURSE REGISTRATION

All learners plan their four-year courses in cooperation with their parent(s)/guardian(s) and the secondary counselor. This course selection serves as a guide for registration each succeeding year. Learners are registered for the next school term during the second semester of the current year.

CHANGING CLASS SCHEDULES

Learners will only be allowed to drop or add classes prior to the start of each semester when authorized by administration. However, no changes will be allowed after three days of the new semester.

All learners must carry a full class load.

NORTHERN CASS SCHOOL ACADEMIC INTEGRITY POLICY

At Northern Cass, we value academic honesty and integrity. Academic dishonesty (cheating) is unacceptable because it threatens the ability of a student to learn the material and falls below our expectation of conducting oneself with honesty and integrity.

Furthermore, a key part of an educator’s job is to assess what a learner knows, understands, and can do. Cheating produces results on assessments that do not allow an educator to accurately assess a student’s knowledge and skill, and thus makes it difficult for teachers to help their learners be successful.

Academic Dishonesty includes, but is not limited to:

• Copying another learner’s work
• Submitting work that was completed by someone else (classmate, parent, sibling, etc.) as if it were your own
• Plagiarism – Presenting another individual’s ideas as your own, failing to cite others in writing
• Using unauthorized materials to complete any assessment
• Completing work in a group when not authorized to do so by the educator
• Looking at another learner’s materials during any assessment when not authorized to do so
• Providing answers to another learner before or after a test and/or quiz
• Taking educator materials (tests, keys, example questions, etc.) without receiving approval from the educator

• Leaving classroom materials out and visible during an assessment
• Using any form of technology (computers, calculators, cell phones, etc.) to provide or receive unauthorized content
• Any other behavior in submitting work which is performed with the intent of misrepresenting one’s performance

Consequences of Academic Dishonesty: Refers to all classes (not per class) in one given school year

1st instance:

• The learner will receive a score of zero on the assessment and will work with the educator to find an alternative assessment to demonstrate proficiency.
• The learner will receive one hour of detention and one week of ineligibility along with loss of privileges.
• The principal will record a log entry in PowerSchool.
• The educator will notify parent/guardian via phone.

2nd instance:

• A parent/guardian meeting with the educator, learner and administrator is scheduled.
• The learner will receive a score of zero on the assessment and will work with the educator to find an alternative assessment to demonstrate proficiency.
• The principal will record a log entry in PowerSchool.
• The learner will receive 1 hour of office issued detention and three weeks of ineligibility along with loss of privileges.

3rd and subsequent instances:

• If third time in the same course, the learner will be removed from the specific course.
• The learner will receive a score of zero on the assessment with no option for reassessment.
• The principal will record a log entry in PowerSchool.
• The learner will receive 2 hours of office issued detention and six weeks of ineligibility along with loss of privileges.
• The learner will be excluded from academic awards including the Senior Athlete of the Year award.
• The principal will notify the learner’s parent/guardian by phone.

Early Entry

The early entry program allows 10-12 graders in North Dakota’s public schools to take courses offered by approved post-secondary institutions for both high school and post-secondary credit. The program provides learners with a greater variety of class offerings and the opportunity to pursue more challenging course work. Learners who participate in the early entry program must be enrolled in at least five credits at the high school. Learners interested in
participating in this program should see the principal or counselor.

**Physical Education**

Each learner in grades 6-12 will be given the opportunity to take a physical education course. Appropriate clothing, designated by the instructor, should be worn for participation in a physical education course. All physical education learners will be issued a locker and lock in the PE locker room and are expected to use them to lock up their personal items. The locker rooms will be locked except at the beginning and end of class periods and 15 minutes before and after school.

**Counselors**

The counselors are in the school to help each learner become a well-adjusted, competent, and responsible young adult. The counselors are here to assist the learner in course selection, study habits and organization, grades, testing and placement, learner-teacher relations, college selection and requirements, financial aid, job opportunities, training programs available, and to assist with personal problems.

**Testing**

In conjunction with counseling, the testing program at Northern Cass Public School is used to monitor, track, and assist learners in their academic performance. State standardized tests are administered annually to learners in grades mandated by the state department of education. STARS and other standardized measurements of achievement are administered throughout the year to learners in grades 6 – 9.

All learners in the State of North Dakota are required to take the ACT during the spring of their junior year. This exam is administered at the school and the district covers the cost of the exam for each learner.

The results obtained from the tests are valuable to the learner, to the parent, and to the district, in that they indicate aptitudes in light of his/her present educational plans and those of the future. Parents, as well as learners, are welcome to confer with the counselor, principal and teachers regarding these tests. Standardized test scores will be used for placement in courses both for remediation and enrichment.

**EDUCATOR HOURS**

Parents may contact a staff member from 8:00 a.m. to 8:30 a.m. and after school from 3:30 p.m. to 4:00 p.m. except Friday after school. Please do not call to talk to an educator during classroom times. You may, however, leave a message on the educator’s voice mail. Teachers will not be called to the phone unless there is an emergency.

**ATTENDANCE**

State attendance laws govern learners in any North Dakota public school. These laws require all children between the ages of 7 and 16 to be in attendance every day school is in session. The law cites illness and certain other incapacities as exceptions to this attendance requirement. The law provides local school boards the authority to establish standards for attendance.

**SCHOOL ATTENDANCE**

The School Board recognizes regular attendance as necessary to ensure continuity in the educational process. Classroom learning experiences are a meaningful and essential part of any educational system. Time lost from class is irretrievable, particularly a learners’ opportunity for interaction and exchange of ideas with teachers. The absent learner loses benefits of lectures, discussions, and participation with other learners. This school district, therefore, considers encouragement of consistent and timely attendance a major responsibility.

Accordingly, the Board considers it necessary that an attendance policy be established to encourage the total education of the learner in the district. Therefore, the following policy is established:

1. **A learner shall be allowed no more than the equivalent of 10 absences and/or 500 minutes per class. Absences in excess of 10 will result in the loss of credit for the course as well as becoming academically ineligible for the remainder of the semester.** School-related absences do not count toward the 10-absence total. Examples of school-related absences include, but are not limited to field trips, co-curricular and extracurricular activities, and in-school suspensions. All non-school-related absences will count toward the 10-absence total.

2. The following procedures will be followed when implementing the attendance policy:
   - At 5 absences the learner and parent(s)/guardian(s) will be notified verbally and/or in writing.
   - At 9 absences the learner and parent(s)/guardian(s) will be notified verbally and/or in writing the learner has reached his/her limit of allowable absences. The learner and a parent/guardian are required to attend a face-to-face meeting with administration. This meeting will determine the future course of action.
   - At 10 or more absences the learner will lose credit for a course, a grade of “WF” (withdrawn from) will be registered on the report card. The “WF” grade has the same value as a grade of “F” and will affect the learner’s grade point average in the same manner. The learner will also become academically ineligible for the remainder of the semester.

**PROCEDURES FOR EXCUSING ABSENCES**

Any day that a learner is absent, the parent/guardian should call the school to report the learner’s absence, giving the name of the learner and the reason for the absence. Calls can be made between 7:00-9:00 a.m. at 874-2322. If the parent does not call the school, a representative of the school may call home to verify the absence. Parents/guardians may e-mail attendance@northerncassschool.com or attend Counselor Meetings for updated attendance information.

If the school office does not receive either a phone call or email from the parent within 48 hours of the absence, the absence will be considered unexcused, unless deemed otherwise by administration.
ADVANCE EXCUSES

To obtain advance permission for an absence, a parent/guardian must either call the office or e-mail attendance@northerncassschool.com. Make-up work is the responsibility of the learner.

PREARRANGED EXTRACURRICULAR ABSENCES

Extracurricular activities are designed to promote a well-rounded individual. Learners are given the opportunity to develop many lifelong skills such as teamwork, discipline, dedication, and perseverance. They are also given the privilege of representing Northern Cass in whatever venue they are participating in. However, these individuals are still learners and need to meet the same expectations of their peers. As a result, Northern Cass feels it is important to create a protocol for meeting these expectations.

It is the responsibility of the learner to make arrangements with their teachers for any missed work while absent.

COLLEGE VISITATION

Juniors or seniors may use two days for college visitation provided they make advance excused arrangements through the office.

MAKE-UP WORK FOR ABSENTEEISM

Learners who have been absent are permitted and expected to make up the missed work. Immediately upon returning to school, the learner is required to obtain a ‘Make-Up Admit to Class’ slip from the office. This slip indicates day(s) and period(s) missed and whether the absence is excused or unexcused. Failure to obtain a make-up slip may be treated as an unexcused tardy or absence.

Arrangements for make-up work are the responsibility of the learner and must be made with each teacher immediately upon returning to school. Learners have as many days to make up work as days they were absent.

EXTRACTED HOSPITAL STAY/SERIOUS ILLNESS

For extended hospital stay or serious illness (learner or family), the regular make-up time/work is waived. Upon presentation of a valid physician’s written excuse (explaining the hospitalization/illness), the learner will receive meet with their counselor to determine make-up time/work for days missed.

ATTENDANCE/PART OF A DAY

When a learner is absent only part of a day, he/she is responsible for obtaining regular class assignments. To participate in extracurricular activities after school hours, learners must be present for afternoon classes that day, unless they have obtained prior approval from the administration.

LEAVING THE SCHOOL GROUNDS

School officials must know where learners are during the school day. Parental permission received through the office is required before a learner may leave the school grounds. All learners must sign out in the office prior to leaving.

TRUANCY/UNEXCUSED ABSENCES

The State of North Dakota has defined truancy as being absent from 3 consecutive school days during the first or second semester, 6 half days during the first or second semester, or 21 class periods or equivalent without consent of parent/guardian or school officials. Learners under the age of 16 will be held accountable for their attendance in accordance with North Dakota Century Code. The Northern Cass School District cooperates fully with social services and juvenile court in reporting truancy.

An unexcused absence is defined as any absence that is not caused by illness, injury, family emergency, or an absence granted in advance by administration. Examples of unexcused absences include, but are not limited to oversleeping, truancy, and skip day.

A learner with an unexcused absence(s) will be assigned one hour of detention for each hour missed.

TARDIES

It is the learner’s responsibility to be on time for each class. A tardy is arriving to class after the start of the scheduled class time. Arriving to class after 10 minutes has elapsed will count as an absence. Excessive unexcused tardies will result in the following discipline action:

Learners who are tardy will serve a ½ hour detention after school for every other tardy up to 10 (i.e.—first tardy is no detention and second tardy is detention). Learners who are tardy will serve a 1-hour detention after school for every other tardy from 11 to 20. Learners who accumulate more than 20 tardies will serve Saturday School for each additional tardy (i.e.—22 tardies equals two hours of Saturday School). Saturday School will be held one time per month. Tardy totals are calculated per semester.

Detention must be served within two days of the incident.

LEARNER CODE OF CONDUCT

The following Northern Cass Learner Code of Conduct identifies the desired expectations we have for our entire learner body is to be respectful, responsible, and safe.

Learners should act in a manner that shows respect and responsibility for themselves, others and school property. In conjunction, learners should keep their safety as well as the safety of others in mind when making decisions.

SCHOOL RESOURCE DEPUTY (SRD)

Northern Cass has a full-time school resource deputy (SRD) on campus to serve all learners K-12. The SRD helps in all
DISCIPLINE POLICY

For a learner to learn and for an educator to instruct, there must be an atmosphere in the school that is conducive to learning. Behavior that interrupts or disturbs this orderly environment won’t be tolerated and will be dealt with promptly and consistently. The Northern Cass discipline program, designed around a matrix of ascending consequences, assists the learner in making good choices and helps him/her manage his/her own behavior. This is a lifelong skill that is imperative to success in later life.

The system approach to school discipline is based on the belief that learners must be responsible for all their actions while in attendance at school. When learners are referred to the administration for a violation of school rules, the administration bases the resulting disciplinary action on how many times and for what reasons the learner has been sent to the office during the current school year. For example, a learner that consistently disrupts the learning environment needs to receive a more severe consequence than the ‘first time’ offender.

Miscellaneous
1. Administration reserves the right to place items not specifically covered in the matrix into an appropriate level.

2. Teachers have the authority to assign their own detention. Parents are notified of inappropriate behavior with written or oral communication from the school. Please contact the principal if any questions arise concerning discipline.

BUS RIDING

The School Board has the authority and duty to establish rules for learners riding a school bus. The Northern Cass School Board has adopted the following rules:

1. Learners, who refuse to promptly obey the directions of the driver or refuse to obey the regulations, may forfeit the privilege of riding the bus. Serious incidents will be reported to the principal.
2. Learners who do not carry or wear clothing suitable for North Dakota weather may forfeit the privilege of riding the bus.

Learners are expected to follow the learner code of conduct as mentioned previously in the handbook. Likewise, learners are expected to behave and make proper decisions. Each route bus had four cameras that record video and audio.

DETENTION

Learners assigned detention by the administration will be required to serve their detention during the first available opportunity. Detention will be served Monday – Thursday after school from 3:30–4:30 in an assigned classroom. Learners will be required to bring schoolwork. Cell phones will not be allowed to be used. Any learner that fails to show up for assigned detention will have their detention doubled. Multiple instances of skipping detention may result in in-school suspension or Saturday School.

SUSPENSIONS

In-School Suspension – the learner is required to be in school during class time, doing schoolwork, but not attending regular classes.

Out-of-School Suspension – the learner is not permitted to attend school during the school day.

The authority to determine initially whether a learner shall be suspended for a period not to exceed ten days rests with the building principal and can be exercised after the learner is given:
• Oral or written notice of the charges against the learner
• An explanation of the evidence against the learner
• An opportunity to present the learner’s side of the story

In-school suspension rules:
• Report directly to the Principal on the day(s) of the suspension.
• No using cell phones, having your head down to rest, or sleeping.
• Computers will only be allowed to work on class projects/assignments
• Bathroom breaks will be allowed with the permission of office staff.
• The learner will eat his/her lunch in an assigned room.
• Any insubordinate in-school suspension room conduct may result in out-of-school suspension.
• All missed work is due on original due date.
• Principal or office staff will dismiss the learner at the end of the day.

In-school suspension will prohibit a learner from attending or participating in any school event on the day of the suspension or through the duration of the suspension. Out-of-school suspension will prohibit a learner from any participation in any activities until the day following their suspension. (i.e.—this includes participation or attendance at extra-curricular events).

Learners who are suspended will be required to do one or more of the following (as decided by administration):
• Reflective writing
• Presentation to learners
• Letter of apology
• Verbal apology
• Fix it plan

ENROLLMENT OF SUSPENDED/EXPELLED LEARNERS

Any learner who has been suspended or expelled from another district will not be permitted to enroll in the district until eligible to reenroll in his or her former district or until the School Board or the Superintendent has reviewed the prior
suspension and determines that the suspension was illegal or improperly given.

EXPULSION

Whenever an infraction is of such a severe nature that it disrupts the operation of the school, or learner safety the following steps will be taken:
1. Learner responsible will be suspended for up to 10 days
2. Parent(s)/guardian(s) will be notified
3. Hearing Officer will be notified
4. Hearing will be held
5. Decision will be made by Hearing Officer
6. If the Hearing Officer rules for an expulsion it may be for the remainder of the current term or twelve months

WEAPONS/FIREARMS

Learner are forbidden to knowingly possess, handle, carry or transmit any weapon/firearm or dangerous instrument in any school building, on school grounds, in any vehicle, or at any school-sponsored activity. Board policy will dictate the disciplinary action.

PERSONAL APPEARANCE

Northern Cass Public School learners are expected to dress and groom in such a manner that it will not disrupt the educational process and will comply with health and safety standards. Inappropriate appearance includes, but is not limited to:
1. clothing styles or accessories that are unacceptable
   - shorts or skirts/dresses that are too short – the guideline is mid hand
   - holes in pants/shorts/skirts above mid-hand
   - outfits that expose the bare midriff
   - clothing that is unnecessarily revealing – low neck line
   - reveal a learner’s undergarments
   - all clothing must come to under the arm pits, which would include but not limited to tank tops and muscle shirts
2. clothing styles that can be hazardous in learning situations such as labs or shops
3. clothing with a derogatory saying or double meaning suggestive of sexual, illegal or derogatory connotation.
4. clothing that advertises alcohol, tobacco products, or other substance deemed hazardous to one’s health.

Hats, caps, bandannas, sunglasses, chains and hoods should be removed upon entering the building and put back on only when exiting the building. Shirts and shoes must be worn always.

If a learner presents himself/herself in an inappropriate manner he/she will be asked to change to suitable attire. Parents may be asked to bring appropriate clothing to school for the learner if no other option is available.

PROCEDURE FOR COMPLAINTS

It is the goal of the district to resolve the problems at the lowest appropriate level. Parents and school personnel should work together as a team to provide the best educational program for children.

If a parent has a concern about a teacher’s judgment of a learner’s work or behavior, a simple procedure can be followed to keep the line of communication open. First, a parent should talk to the teacher involved. If a satisfactory solution is not reached, the parent should confer with the building principal. If the concern remains unresolved, then the parent should confer with the Superintendent of Schools.

Finally, if the complaint remains unresolved, the parent may appeal to the Board of Education. The parent should notify the Superintendent or the Business Manager to be placed on the board’s agenda.

LEARNER FEES

The following fees will be charged to learners of Northern Cass Public School. All fees are payable at the beginning of the school year.
1. Breakfast and Noon Hot Lunch – daily or monthly

LUNCH PROGRAM

A lunch menu is published and available to learners each month. If a learner wishes to bring lunch, it is to be eaten in the lunchroom. No soft drinks are permitted in the lunch area in compliance with federal regulations. Parents of learners eligible for reduced rates or free lunches must complete the necessary forms at the beginning of the school year. These forms must be signed by parents and returned to the office before the program can be initiated. Prices for meals are set at the beginning of each school year.

CELL PHONES/ELECTRONIC DEVICES

The use of cell phones will be allowed in the school building during passing times between classes. Learners will also be allowed to use cell phones during their lunch period. Cell phones are not permitted during classes unless approved by the individual educator. Violation of this policy will result in confiscation of the device. The following consequences will be administered:
1. First offense – device returned to learner at the end of the school day
2. Second offense – parent or guardian must pick phone/electronic device up from the school
3. Additional offenses will be the assigning of detention
The use of camera, text messaging, or any social media features on cell phones in public restrooms and locker rooms before, during, or after school hours is prohibited. The use of any image-recording device in an area where there is a reasonable expectation of privacy is strictly prohibited and will result in confiscation of the device and additional disciplinary action.

**NOON HOURS**

No one can leave the school grounds without permission. Learners who leave the school grounds during the noon hour without permission and fail to sign out in the administration office will be subject to the rules of conduct/discipline policies of the school.

**VISITORS**

School policy is to welcome those visitors who have legitimate business at the school. Parents and other adult patrons of the district are welcome and must report to the office for authorization before proceeding through the school.

Visitors are to use the main doors on the south side of the building. During the school day, other doors to the building will remain locked for safety. If you need to visit the school for any reason, please use the south door to the building and check in at the office to get a visitor’s badge.

**TELEPHONE CALLS**

Local calls from the school or to the school by learners should be made only in cases of emergency or for an important call. Learners will not be called out of a class to answer the phone unless it is an emergency.

**FIRE/TORNADO/LOCK DOWN**

The classroom teacher will give complete information on all procedures to be followed in case of an emergency. Emergency drills will be held throughout the school year. Please become familiar with the procedures so that you will know where to go and what to do in case of an emergency.

**LOCKERS**

Lockers and locks will be issued to learners during registration upon request. The lockers are the property of the Northern Cass School, and the school retains the right to inspect lockers at any time.

**MONEY OR VALUABLES**

Learners are asked not to bring excessive amounts of money or valuable items to school. If it is necessary to bring such items to school, please do not leave these items in an unsecure area. Learners should lock money and valuables in a school issued locker, give them to the office, or the SRD for safekeeping. If an item is stolen, please report the theft to a teacher, the school resource deputy, or the office. The school is not responsible for lost or stolen items.

**LIBRARY**

All books from the school library can be checked out after 8:30 and before 3:30. All books should be returned when the learner has completed them or within two weeks. If the learner is unable to find a book, notify the librarian immediately. Any lost book will have to be paid for by the learner if it is not found by the end of the school year. A complete list of library rules and procedures will be posted in the library.

**LEARNER ACCIDENT INSURANCE**

Learners will not be covered by school-sponsored accidental injury insurance. All insurance claims are the responsibility of the parent’s own private insurance carrier or other supplemental provider.

All injuries occurring in school or while participating in school-sponsored activities here or elsewhere should be reported immediately to the teacher, advisor, or coach in charge and to the school principal. Parents will be notified. It is the parents’ decision whether to seek medical attention and submit a claim to their insurance carrier.

**STORMY WEATHER & BLIZZARDS**

Parents/guardians who feel the weather or road conditions are so severe as to be hazardous are to exercise the same judgment for a learner’s attendance as with an illness. If school is in session, this will be considered an excused absence.

During severe storms, it may be necessary to suspend classes because buses are unable to run. In general, when buses are operating, the school will be in session. Northern Cass also will update its website with weather-related announcements. The school will also use the Alert Now system for contacting families in the event of weather-related announcements.

When a storm threatens during the day, you may be assured that learners will not be permitted to leave the school building unless satisfactory arrangements have been made. If buses leave early, Northern Cass also will update its website and send out an Alert Now message with details related to an early dismissal. The announcement will be made at least 20 minutes before buses are sent out on their routes.

In the event of a fast-moving storm in which it is deemed too dangerous to send learners out, all learners will be kept at the school. They will be released only to parents, if requested. If buses do not run, learners who drive will not be allowed to drive themselves home.

**HEALTH INFORMATION**

**COMMUNICABLE DISEASE REGULATIONS** (Refer to Northern Cass web site)

Teachers must report suspected cases; whenever any principal and/or teacher in any private, parochial or public school has reason to suspect that any pupil is suffering from a contagious or infectious disease, he/she will exclude the child and report the occurrence to your school nurse or (in the nurse’s absence) to Fargo Cass Public Health at 241-1360.
ILLNESS GUIDELINES

Parents should call the school to advise school officials of the child’s absence. If a child becomes ill while at school, the parents will be contacted so they can come immediately to the school to pick up the child. It is important that each parent provide a local name and phone number of a person who could be contacted in case of an emergency. The school nurse will refer any suspected contagious cases to the parent for medical diagnosis. Notify the school nurse if you have concerns related to illness issues.

Children with the following symptoms should not be sent to school and/or school activities:

- Any indication of communicable diseases as listed on the communicable disease regulations
- Thermometer indicates a temperature of 100 degrees or above
- Undiagnosed rash or sores
- Vomiting or diarrhea
- Deep and severe cough, heavy or discolored nasal discharge
- Contagious infection diagnosed by a physician

Learners should not return to school until:

- When the learner is diagnosed by a physician to have a contagious infection and places the learner on a prescription medication, the learner may not return to school until they have taken the medication for a full 24 hours and their temperature has stayed below 100 degrees for 24 hours without the use of acetaminophen.
- Their temperature has remained below 100 degrees for 24 hours, without the use of acetaminophen (Tylenol) to keep the temperature down.
- There has been no vomiting or diarrhea for 24 hours.

IMMUNIZATIONS

The parents or guardian of each child admitted to Northern Cass School shall present a certification from a licensed physician or authorized representative of the local public health unit that the child has received or is in the process of receiving immunization against diphtheria, pertussis, tetanus, measles, rubella, German measles, mumps, hepatitis B, meningitis, chicken pox, and poliomyelitis, except as exempted by law.

All learners must be fully compliant with immunization requirements as mandated by NDCC 23-07-17.1. A learner may have an exemption for the immunization based on religious, philosophical, or medical reasons.

All immunization records must be up to date by the end of the first quarter. Learner who enroll during the year and do not have up to date immunization records must have the records within thirty calendar days of enrolling.

Learners who are not compliant will not be permitted to attend school until they become compliant or until they have signed the exemption request for religious, philosophical or medical reasons. Learner enrolled in Northern Cass with exemption waiver, will not be permitted in school, when a medical outbreak occurs. Health waived learners may return when the local health unit has deemed the medical outbreak safe.

MEDICATION

School personnel may not dispense prescription medication to children unless licensed prescriber and parents have signed the "Prescription and Authorization for Medication Administration" form. Non-prescription medication (over the counter medications, such as acetaminophen, cough syrup, etc.) will be administered according to the manufacturer’s recommendation as written on the bottle. In addition, the parent or legal guardian needs to sign an authorization form. These forms are available at all school offices, at most clinics, and on the schools’ web site. A new form must be submitted at the start of the school year or when any changes occur from the original prescription order. All medication will be located and dispensed from the school office or other designated areas. Medication must be sent to school in the original container. When a prescription is ordered at a pharmacy, you can request the order be placed in two bottles. An adult must pick up medication left at the end of the school year or the office staff will dispose it of two weeks after school is completed for the year.

For the school staff to give a learner Ibuprofen, Tylenol or Tums at school, we must first have the permission of the parent or legal guardian. You may give permission via the “Yearly Learner Health Information Sheet” or verbally to the school nurse or a medication trained staff member.

Learner Self Administration Requirements

A parent/guardian and physician must sign a written form permitting his/her learner to self-administer medication in school prior to the Northern Cass School District authorizing this action. A new authorization form is required any time the learner has a change in his/her medication regimen, when a new medication is to be provided, and at the beginning of each school year. The Self-Administration form is on the school website or can be obtained from the school nurse or office staff. Learners should not carry their own medication.

SCHOOL NURSE

A school nurse employed through Fargo Cass Public Health is available on a full-time basis. The school nurse is funded through Northern Cass Public School and Fargo Cass Public Health.

EXTRACURRICULAR REQUIREMENTS

Learners must meet Habits of Works expectations to participate in extracurricular activities. Learners on the ineligible list will not be allowed to participate in any school-related activities for the duration of time they are on the ineligible list. An eligibility report will be run every week (after the first two weeks of each grading period) to get the results of learners’ grades in all classes. Coaches and advisors reserve the right to enforce their own policies related to academic progress.
Northern Cass Public School is a member of the North Dakota High School Activities Association. This voluntary organization has for its purpose to plan, direct, and sponsor competitive activities among member schools. The Association makes rules and regulations for these activities for the best interests of the participating learners and the school. Northern Cass Public School follows NDHSAA rules and Northern Cass school board policies.

ALCOHOL, TOBACCO, NARCOTICS
The possession, use, or consumption of alcohol, tobacco, or narcotics on or about the school premises or at school functions is not permitted. NDHSAA rules will be enforced and suspension or expulsion from school may come about due to the violation of this policy.

All parking lots and sidewalks adjacent to the school are considered a part of the school premises.

EXTRACURRICULAR ACTIVITIES INFRINGEMENTS/SUSPENSIONS
The following rules and regulations concerning the extracurricular activities in Northern Cass Schools are set up to govern all the extracurricular activities in the school as well as school-sponsored activities.

Section 1. Offenses
Any learner of Northern Cass School will be subject to an extracurricular suspension for the following:
A. The use or possession of tobacco, alcohol, or any controlled substance as defined by North Dakota Law.
B. Involvement in an act which, if done by an adult would be designated a crime under the laws of North Dakota, another state, or the U.S. A violation of the laws governing the operation of a motor vehicle does not fall under this paragraph.

Section 2. Suspensions
A. Any learner will be suspended for a period of 6 consecutive school weeks from participation in any extracurricular activities in Northern Cass Schools for the first offense as described in paragraph 1.A above. The Northern Cass School has set up rules and regulations to govern all the extracurricular activities in the school including athletics, competitive music, drama productions, and music for events outside the classroom instruction, speech, Honor Society, cheerleading, and any other extracurricular activities. Pep band is not a part of the extracurricular suspension.
B. Any learner who has not received any NDHSAA suspension during eighteen calendar months from the time of his/her last suspension shall receive a six-week suspension for the next NDHSAA rules violation. Any suspension received before the end of the eighteen-month limit will be for eighteen weeks.
C. Any learner may be suspended for a period of up to 18 consecutive school weeks from participation in any extracurricular activities in the Northern Cass Schools for offenses described in paragraphs 1.B above.
D. A learner, who has not completed a suspension at the end of a school year, shall remain suspended during summer vacation. A learner shall be credited with one week of suspension for each month of the summer vacation if he or she had not completed a suspension during the school year.

E. NDHSAA rules will remain in effect during the summer. A learner given an extracurricular suspension during the summer will be credited with one week of suspension for each month of the remaining summer vacation and will be suspended from extracurricular activities when the fall season begins.
F. If a learner has a 3rd violation, then all activities will be lost for learner’s high school career.
G. If a learner denies the allegation, but is later found to have been in violation, he/she will receive an additional 6-week suspension. The admission by the learner will have to be made prior to the hearing.
H. If a learner is given extracurricular suspension during a period of time in which that learner is not involved with any extracurricular activity, he/she shall sit out the next contest/event of the next extracurricular activity they are a member of.
A. If a learner participates on two different levels of the same activity on the same day, it shall count as 1 contest/event.

Examples:
1. An athlete who is a member of both the JV basketball team and the varsity team, if both teams are playing in the same evening, the athlete shall not participate in either game. The same would be true for a cheerleader on a JV and freshmen team.
2. Athletes on volleyball teams must sit out their first event including any combination of 1 match and/or tournament. (Coaches would be violating the intent of this rule if they moved an athlete up or down a level simply to make them eligible quicker.)

I. Each coach or director will determine whether or not a suspended learner can practice with the team during the suspension period.
J. Learners must complete the season in order to be eligible for any school award including letter awards. Coaches’ discretion will be used in determining awards/letters to be received by learners not completing their season due to injury.

Section 3. Procedures
The school administrator (Superintendent or Principal) shall immediately investigate any alleged violation of the alcohol, tobacco, and controlled substance rule of NDHSAA.
A. If the Administration finds probable cause to believe that this rule has been violated, he/she shall give the learner immediate notice of suspension in writing.
B. The period of suspension shall begin from the date and time the notification is given to the learner by the Administrator.
C. The learner shall have the right to a hearing within three school days after such notification.
D. Said hearing shall be enforced by the administrator and conducted before a hearing board consisting of an administrator, a representative of the Northern Cass Education Association, and one other extracurricular teacher chosen by the other two hearing board members.
E. The hearing board may, in its discretion, call any person or persons who are available to present any evidence or testimony on the charges.

Section 4. Time Limitations
A. If an offense is committed during the school year, said offense shall be reported/discovered within 6 weeks (inclusive), or these rules shall not apply.
B. If an offense was committed during the summer vacation, said offense shall be reported-discovered within 6 weeks (inclusive) of the first day of practice of the sport season, or these rules shall not apply.
C. The 6-week limitation does not apply to an extracurricular rule violation reported/discovered before the 6 weeks (inclusive) and currently under investigation. Such reported/discovered incidents must be allowed to be investigated completely and fully so as to try to determine the guilt/innocence of learners involved with said incident.
D. For the purposes of this section, the school year is the period during which academic classes are held commencing in the late summer of one year and ending in the spring of the following year.

Section 5. Training Rules
A. The athletic coach or activity advisor shall set all other rules for the sport or activity including but not restricted to the following: curfew, dress code, team discipline and travel rules.

Other: Learners who are serving an NDHSAA suspension will be subject to the following rules:
- Learners may not leave school early to attend competitions.
- Learners may sit at the end of the bench, but may not wear their uniform.
- Learners may ride with the team if they are not missing school time.
- Learners may participate in the Senior Recognition Night.
- Learners are not eligible to receive the Senior Athlete of the Year award no matter the year of suspension.

Note: Any activity sponsored by the school is covered by this policy.

OUT OF TOWN EVENTS
Learners are representatives of the school at out of town events. Learners are expected to show good behavior at such events. Disciplinary action could result if any learner's conduct is detrimental to his/her school or community. Learners riding a school bus or car (provided by the school for transportation) to an out of town event must return in the same vehicle. The only exception shall be if the parent has made a request that the learner rides home with him/her. Requests can be made verbally or via e-mail.

SCHOOL DANCES AND FUNCTIONS
All learners must submit to a breathalyzer prior to attending and dance. The junior class sponsors the junior-senior prom and junior senior banquet. The junior class, junior class advisor, prom advisor, administration, and School Board are responsible for all decisions relating to both the prom and banquet.

All other dances and school-sanctioned events will be subject to the following restrictions:
1. Must receive approval of the administration at least two weeks prior to the date;
2. Must run no later than 10:30 p.m. on a night followed by a school day and 12:00 a.m. on a night followed by a non-school day.
3. Must be chaperoned by the organization advisor(s) and additional faculty members;
4. Only Northern Cass learners from grades 6-7-8-9-10-11-12 may be admitted unless approved otherwise by the principal prior to the event (learners inviting out-of-school dates are responsible for their conduct);
5. Once a learner leaves a function for any reason, they may not re-enter the building;
6. If a Northern Cass learner is found to be under the influence of alcohol or drugs, law enforcement will be notified, and the learner will be detained. Parents will be notified. Further disciplinary action can be expected;

8. No one older than 20 years of age will be allowed at any Northern Cass dance.
9. Learners who are serving an NDHSAA suspension are not eligible to attend prom or any other Northern Cass sponsored dances (includes, but not limited to Snowball and Homecoming).

CHEMICAL PREVENTION
It is the goal of the Northern Cass Public School Board to create a caring atmosphere for each learner/employee within the system. This prevention is instituted by nurturing successful, interpersonal relationships, promoting skills in decision making and problem solving, while providing for a learner’s academic growth.

The Board understands that a learner or staff member may become harmfully involved with some chemical. This involvement would create pain for themselves and/or others. At this juncture, the school must continue to operate as a caring rather than a punitive community, through the provision of on-going support. The harmfully involved individual will be assisted in seeking supportive and rehabilitative services. If treatment becomes necessary outside the school setting, every effort must be exerted to affect a successful continuation in/or re-entry into the school setting. Chemical dependency is a treatable illness; early identification and intervention is conducive to successful treatment.

The School Board of the Northern Cass Public School District #97 endorses this philosophy built upon K-12 education, prevention, identification of the harmfully involved, appropriate intervention with provision for support services and the continuation of staff training.

The administration is charged to implement this policy through procedures to provide for the following:
1. Staff training.
2. Prevention through the establishment of programs to bring about learner awareness and understanding of the dangers inherent in the use of alcohol and controlled drugs.
3. The provision of counseling services so that learners may seek and get counseling on these matters at any
time without fear of reprisal and with assurance of the confidentiality of the counseling.

4. Procedures in the helping process:
   a. Identification of harmfuly involved learners.
   b. Determination of the problem.
   c. Immediate intervention.

The Northern Cass School Board has adopted the Chemical Use Procedure Supplement and directs the administration to administer, revise and evaluate the chemical use program while keeping the Board advised of any revisions and evaluations made to said program.

Prohibited Activities:

The use of illicit drugs and the unlawful possession and use of alcohol is wrong and harmful. It is the responsibility of the school to establish rules that will eliminate such use from the school setting. Therefore, it shall be against school policy for any learner:

1. To sell, deliver, give, or attempt to sell, deliver, or give to any person any of the substances listed in this policy or what the learner represents or believes to be any of the substances listed in this policy.
2. To possess, procure, purchase, or receive, or to attempt to possess, procure, purchase or receive, the substances listed in this policy or what is represented by or to the learner to be any of the substances listed in this policy or what the learner believes is any of the substances in this policy. A learner will be determined to be “in possession” when the substance is on the learner’s person or in the learner’s locker, car or handbag, or when he/she owns it completely or partially.
3. To be under the influence of (legal intoxication not required), or to use or consume or attempt to use or consume, the substances listed in this policy or what is represented by or to the learner to be any of the substances listed in this policy or what the learner believes is any of the substances in this policy.

This policy applies to any learner who is on school property, who is in attendance at school or at a school-sponsored activity or whose conduct at any time or in any place interferes with or obstructs the missions or operations of the school district or the safety or welfare of learners or employees.

Prohibited Substances:

1. Alcohol or any alcoholic beverage.
2. Any controlled substance or dangerous drug as defined by NDCC Sections 19-03.1-05 through 19-03.1-13 and 19-03.1-26 (paraphernalia) or as defined by Section 812, Schedules I-V, of Title 21, United States Code, Section 801, et seq., including but not limited to marijuana, any narcotic drug, any hallucinogen, any stimulant, or any depressant, any form of tobacco, e-cigarettes and all other illicit drugs.

Authorized Use:

Any learner whose parent or guardian requests that he or she be given any prescription or non-prescription medicine, drug, or vitamin shall follow the procedures of Policy FEAA—Administering Medicine to Learners, which requires a prior permission slip signed by the parent for aspirin and/or Tylenol and the signed request of the physician and parent for any other medication.

Administrators will use staff meetings and in-service sessions and learner assemblies to inform employees and learners of their rights and remedies under the law.

A substantiated charge against a school district staff member will subject such member to disciplinary action, which may include discharge.
A substantiated charge against a learner in the school district will subject that learner to disciplinary action, which may include suspension or expulsion, consistent with learner disciplinary policies.

**Reporting Procedures for Alleged Policy Violations**

1. Reporting requirements for school staff: Any school staff member with knowledge or suspicion of a violation of this policy or who has received an oral or written report of a violation of this policy from a learner, community member, or anonymously shall contact the building principal to inform him/her as soon as possible. If the alleged violation implicates the building principal, the school staff member shall report it to the Superintendent. If the alleged violation implicates the Superintendent, the school staff member shall file it with the Board President.

   Should school administration determine that a school staff member knew of or suspected a violation of this policy and failed to report it in accordance with the procedure above, the staff member may be subject to disciplinary consequences or, for sponsors of school-sanctioned activities, other corrective measures.

2. Reporting options for learners and community members: Learners and community members (including parents) may report known or suspected violations of this policy using any of the following methods:

   a. Completing a written complaint form: A complaint will have the option of including his/her name on the form or filing it anonymously.    b. Complete and submit an online complaint form. A complaint will have the option of including his/her name on the form or submitting it anonymously.
   c. File an oral report with any school staff member.

   A complaint filed anonymously may limit the district’s ability to investigate and respond to the alleged violations.

Also, nothing in this policy shall prevent a victim/his/her family from seeking redress under state and federal law.

1. Initiate a report of an alleged violation of this policy; or

Report forms and all other documentation related to an investigation of an alleged violation of this policy shall be retained by the District for six years after a learner turns 18 or graduates from high school, whichever is later. If a learner does not graduate from the District, such reports and investigation material shall be retained for six years after the learner turns 18.

Investigation Procedures
School administrators (i.e., a principal, an assistant superintendent, or the Superintendent) are required to investigate violations of this policy (as prescribed under “Prohibitions”), when in receipt of actual notice of an alleged violation. Actual notice of an alleged violation occurs when alleged bullying, reprisal, retaliation, or false reporting is reported using the applicable method(s) prescribed in the reporting section of this policy.

Upon receipt of a report of an alleged policy violation, the designated administrator shall first determine if the alleged policy violation is based on a protected class—whether actual or perceived. Reports involving a protected class shall be investigated in accordance with the district’s harassment/discrimination policy, including the timelines contained therein.

In all other cases, administration shall determine the level of investigation necessary based on the nature of the alleged violation of this policy after considering factors such as, but not limited to: the identity of the reporter and his/her relationship to the victim/alleged perpetrator; the ages of the parties involved; the detail, content and context of the report; whether this report is the first of its type filed against the alleged perpetrator. Based on the level of investigation the administrator deems necessary, investigations may include any or all of the following steps or any investigatory steps that the administrator deems necessary.

1. Identification and collection of necessary and obtainable physical evidence (Note: In some cases, physical evidence may be unobtainable, e.g., private social networking profile);
2. Interviews with the complainant, the victim, and/or the alleged perpetrator. At no time during an investigation under this policy shall the victim/complainant be required to meet with the alleged perpetrator.
3. Interviews with any identified witnesses.
4. A review of any mitigating or extenuating circumstances.
5. Final analysis and issuance of findings in writing to the victim and bully and, if applicable, implementation of victim protection measures and disciplinary action under this or other applicable policies.

Investigations shall be completed within 60 days unless the administrator documents good cause for extending this deadline. Such documentation should be sent to victim and alleged perpetrator during the investigation.

Disciplinary & Corrective Measures
Learners that the District has found to have violated this policy shall be subject to disciplinary consequences and/or corrective measures. When determining the appropriate response to violations of this policy, administration shall take into account the totality of circumstances surrounding the violation. Measures that may be imposed include, but are not limited to:
1. Require the learner to attend detention;
2. Impose in- or out-of-school suspension or recommend expulsion. Due process procedures contained in the district’s suspension and expulsion policy shall be followed;
3. Recommend alternative placement. This recommendation shall be submitted to the Superintendent for approval or denial. The Superintendent may approve such recommendations only if the learner has been given notice of the charges against him/her and an opportunity to respond;
4. Create a behavioral adjustment plan;
5. Refer the learner to a school counselor;
6. Hold a conference with the learner’s parent/guardian and classroom teacher(s), and other applicable school staff;
7. Modify the perpetrator’s schedule and take other appropriate measures (e.g., moving lockers) to minimize contact with the victim;
8. If applicable, contact the administrator of the website on which the bullying occurred to report it.

If the misconduct does not meet this policy’s definition of bullying, it may be addressed under the other district disciplinary polices.

For bullying initiated off campus and received on campus (e.g., cyber bullying), the District only has the authority to impose disciplinary measures if the bullying substantially disrupted the educational environment or posed a true threat. In all other cases bullying received on campus, the District may only take corrective measures as described in items five through eight above.

If the perpetrator is a school staff member, the District shall take appropriate disciplinary action including, but not limited to: a reprimand, modification of duties (only if allowed by applicable policy, the negotiated agreement, and/or the individual’s contract), suspension, or a recommendation for termination/discharge in accordance with any applicable law.

Victim Protection Strategies
When the District confirms that a violation of this policy has occurred, it should notify the victim’s parents and shall implement victim protection strategies. These strategies shall be developed on a case-by-case basis after administration has reviewed the totality of the circumstances surrounding
the bullying incident(s) or other violations of this policy. Strategies may include, but not be limited to, the following:

1. Additional training for all learners and applicable staff on implementation of this policy and/or bullying prevention.
2. Notice to the victim’s teachers and other staff to monitor the victim and his/her interaction with peers and/or the assignment of a staff member to escort the learner between classes.
3. Assignment of district staff to monitor, more frequently, areas in the school where bullying has occurred.
4. Referral to counseling services for the victim and perpetrator.
5. Modification of the perpetrator’s schedule and other appropriate measures imposed on the perpetrator (not the victim) to minimize the perpetrator’s contact with the victim.

Prevention Programs & Professional Development Activities
In accordance with law, the District shall develop and implement bullying prevention programs for all learners and staff professional development activities.

FIELD TRIP POLICY FOR MEDICATION

Learners that have medication self-carry and self-administration forms must be responsible to bring these medications with them on field trips. The learner will show the medications to their field trip advisor prior to leaving the school. If the learner doesn’t have their medication with them, they will not be allowed on the field trip.

UNSTATED POLICY

It is impossible to list every acceptable and unacceptable behavior for learners in school. The school administration reserves the right to determine acceptability of learner behavior and make decisions and administer appropriate disciplinary action when required.
