

SCHOOL SAFETY

Just as in any organization, procedures and routines are established for the purpose of safety and efficient use of time and energy. The procedures and routines of Carriage Hills are essential to the flow and safety of the inside and outside of the school. If we all work with these procedures our day will run smoothly and safely! Here's what we need...

ARRIVAL

School starts at 9:00 a.m. Children arriving after 9:05 a.m. are considered tardy. Teachers are welcoming students into their classrooms at 8:45 a.m. ALL students will enter through the EAST doors of the GYM. Cars may drop off children by the EAST door. Only one lane of drop off is allowed.

DISMISSAL

Our dismissal requires that we know how your child will be picked up each day. If there is a change in the regular pick up, you **MUST NOTIFY** the office by 3:00 p.m. We have **CARRIDERS**, **BUSES**, and **WALKERS** all to dismiss at one time. Parents **DO NOT** cross the traffic to pick up your child. We will bring your child to you if they are a walker, to the **EAST** by the apartments and to the **WEST** at the crosswalk and the end of the playground. This is for your safety also. Give us time to get the buses moving and the car line running. We dismiss at 3:45 p.m. **STUDENTS** are in class learning until 3:30 p.m. and then dismissal procedures are from 3:30-3:45 p.m. for students to get to each location. Thank you for your understanding and being patience.

ALL visitors **MUST** enter the building through the front doors. You **MUST** check in with the office. If you are visiting a classroom, you will need an appointment time and then sign in at the office and receive a visitor's badge to enter the learning area.

A FINAL WORD... We want parents at school!!!! Your interactions with your child create the successful environment we foster at Carriage Hills. We look forward to working with you in the 2016-2017 school year, Please feel free to call the office if you have questions or concerns. Our number is 1-580-248-6161.
