## Traffic

I must inform our parents of the requirements and procedures that our Lawton Public School Police expect as a daily routine for arrival and dismissal of school.

## Arrival

The **MOST** important factor is **SAFETY** of **ALL**. These procedures are in place to ensure **EVERYONE'S** safety. When our car line is running (8:30-9:00am) you are **NOT** to walk across the car line. We have a staff member out everyday to open car doors and make sure your child goes in the building. If you need to get out of your car and walk your child into the building, you may park in the parking spaces next to the school so you do not cross the line. Parents in the car line are not expecting or looking for someone to cross inbetween the cars.

## Dismissal

You may pick up your child(ren) in our car line or you may park down Warwick by the apartments east of the school. Due to our traffic through the parking lot, parents must **NOT** park in front of the school and walk across the parking lot to pick up your children. Please stay in the car line or park east of the school and we will bring your child to you.

Lost and Found.....our lost and found is overflowing. Items left and not picked up next week will be donated to Goodwill. Please have your child **LOOK** in our Lost and Found! -
