One more SAFETY notice. You may pick up your child(ren) in our car line or you may park down Warwick by the apartments east of the school. Due to our traffic through the parking lot parents must NOT park in front of the school and walk across the parking to pick up your children. Please stay in the car line or park east of the school and we will bring your child to you. Thank you!

"Listen Before You Speak" means:
+I listen to others without interrupting. I look people in the eyes when talking. I try to see things from their viewpoint.

WE NEED YOUR HELP with

MORNING Drop Off...Parents - please wait to have your children get out of your car until your car has pulled up to our sidewalk by the gym. Students getting out while still in line create a safety hazard when parents pull around the cars still in line. In the morning, there is only ONE line of traffic - **DO NOT** let your children out before you reach the sidewalk. We are following the instruction of our LPS police officer. Thank you for your help!
