

WEEKEND FOOD BACKPACKS

During these difficult economic times we would like to extend our support to families in need. Truman Elementary School and the Eureka-Pacific Elks have joined to offer families non-perishable food to be sent home each weekend.

If your family would benefit from this service, simply complete the information below. Your student will then come home each weekend with a plastic bag containing non-perishable food items. (One per family)

MVR-III School District and the Eureka-Pacific Elks Organization DO NOT assume responsibility for food allergies that your family may have.

If your family wishes to donate food or sturdy backpacks to this service project, you may contact Gretchen at grobinsom@mvr3.k12.mo.us.
