Our theme for Trimester I, in the fall, will be "Maine Studies". Our core classes will be "Maine Plants and Animals"and "Maine Gov't and History" taught by Mr.Aspinall. Ms. Cleveland will be teaching an English Language Arts and integrated Social studies class with a focus on "The People of Maine". All Katahdin Team Math classes will be taught by Mrs. Pelletier. During trimesters 2 and 3 she will also be teaching a STEM class one day per week. We have all begun planning and look forward to seeing you all soon!

\*\*Please take every chance to have fun and enjoy your last days of summer, it goes by too fast! We are looking forward to seeing you on August 28th or August 29th!

Fondly,

Mrs. Pelletier , Ms. Cleveland & Mr. Aspinall
