INTRODUCTION

This Employee Handbook is provided to help familiarize employees with the District’s policies, programs and services. This handbook will answer many of your questions about District policies. It also highlights certain characteristics of employment at District 168 and summarizes some of the guidelines and expectations of the District. Note that additional details about the policies, procedures and benefits summarized in this handbook are contained in board polices, collective bargaining agreements and individual employment contracts where applicable.

This handbook is provided for general information only, and nothing in it is intended or should be interpreted as a binding contract or promise of any kind. Other handbooks, manuals or other guidelines may be provided by the administration, which may apply to specific positions. District 168 has the right to modify or eliminate the guidelines described in this handbook or any other handbook, manual or any other guidelines at any time, without prior notice. If a Board Policy referenced herein is amended, the Board Policy will control. District Board Policy Manuals are available at each District building library and on the District website. If provisions within this handbook conflict with provisions of a collective bargaining agreement that cover that employee’s position, the provisions of the collective bargaining agreement control for that employee.

Please read the employee handbook carefully. Feel free to discuss with your Principal/Supervisor any questions you may have regarding the information contained in this handbook or your employment in general. If you need additional information, you may contact the District office to be routed to the appropriate department.

In this handbook, the terms “District 168” or “District” refers to Community Consolidated Schools District 168.

Employees are an integral and valued part of District 168’s continued success. As such, the District’s expectation is all employees strive to honor the following professional values.

- **Integrity:** We are committed to integrity in all that we do, always and everywhere.

- **Respect:** We respect every individual. We draw strength from equal opportunity and diversity, at the same time supporting personal growth and development. We value and we all benefit from the inclusive spirit of each individual.

- **Teamwork:** Teamwork is the essence of our ability to succeed as a school district. Our overriding loyalty is to the good of the whole organization, requiring us to learn from each other and to share our skills and resources for the education of the children we serve.

- **Professionalism:** In service to the parents, community and children we are committed to the highest standards of professionalism, pursuing innovation, deploying imagination, open to
new ideas and acting decisively and consistently. We are determined to deliver outstanding service so that our relationships with our students and parents remain close and enduring.

Ultimately the children’s education is the reason we are here and all our efforts need to be centered to the goal of what’s best for educating our children.

**DIVERSITY VISION STATEMENT**

Workplace Harassment Prohibited

Board Policy Reference: 5:20

The School District expects the workplace environment to be productive, respectful, and free of unlawful discrimination, including harassment. District employees shall not engage in harassment or abusive conduct on the basis of an individual’s race, religion, national origin, sex, sexual orientation, age, citizenship status, disability, or other protected status identified in Board policy 5:10, Equal Employment Opportunity and Minority Recruitment. Harassment of students, including, but not limited to, sexual harassment, is prohibited by Board policy 7:20, Harassment of Students Prohibited.

The District will take remedial and corrective action to address unlawful workplace harassment, including sexual harassment.

Sexual Harassment Prohibited

Sexual harassment is illegal under both federal and Illinois law. The School District shall provide a workplace environment free of unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct, or communications constituting harassment on the basis of sex as defined and otherwise prohibited by State and federal law.

Sexual harassment is defined as any unwelcome sexual advances, requests for sexual favors, or any conduct of a sexual nature when: (1) submission to such conduct is made, either explicitly or implicitly, a term or condition of an individual’s employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of substantially interfering with an individual’s work performance or creating an intimidating, hostile, or offensive working environment. Sexual harassment prohibited by this policy includes, but is not limited to, verbal, physical, or other conduct.

Examples of sexual harassment include cases where a qualified individual is denied employment opportunities after rejecting a supervisor’s sexual advances or requests for sexual favors. Another example is when an individual is subjected to unwelcome sexual conduct by co-workers because of his or her gender which makes it difficult for the employee to perform his or her job. Other examples include, but are not limited to, sexual innuendos, obscene gestures, viewing pornographic materials, and touching.

The terms intimidating, hostile, or offensive include, but are not limited to, conduct that has the effect of humiliation, embarrassment, or discomfort. Sexual harassment will be evaluated in light of all the circumstances.

Making a Complaint; Enforcement

The harassing employee will be subject to disciplinary action, up to and including discharge. Any person making a knowingly false accusation regarding harassment will likewise be subject to disciplinary action, up to and including discharge. An employee’s employment, compensation, or work assignment shall not be adversely affected by complaining or providing information about harassment. Retaliation against employees for bringing bona fide, good faith complaints or
providing information about harassment, even if unsubstantiated, is prohibited (see board policy 2:260, *Uniform Grievance Procedure*).

Aggrieved persons, who feel comfortable doing so, should directly inform the person engaging in the harassing conduct or communication that such conduct or communication is offensive and must stop.

Employees should report claims of harassment to: his/her immediate supervisor, the Building Principal, an administrator, the Nondiscrimination Coordinator, a Complaint Manager, and/or use the Board policy 2:260, *Uniform Grievance Procedure*. Employees may choose to report to a person of the employee’s same sex. There are no express time limits for initiating complaints and grievances under this policy; however, every effort should be made to file such complaints as soon as possible, while facts are known and potential witnesses are available.

Supervisors, Building Principals, or administrators who receive a report or complaint of harassment must promptly forward the report to the Nondiscrimination Coordinator or a Complaint Manager. A supervisor or administrator who fails to promptly forward a report or complaint may be disciplined, up to and including discharge.

An employee has the right to also contact the Illinois Department of Human Rights (IDHR) or the Equal Employment Opportunity Commission (EEOC) about filing a formal complaint. Contact information for these agencies are as follows:

Employees also have the right to reject unsolicited accommodations and to continue to work during their pregnancy if a reasonable accommodation is available to allow the employee to continue performance of the job. The District prohibits (1) discrimination against employees based on pregnancy; and (2) retaliation against any employees for requesting a reasonable accommodation.

An employee requesting a reasonable accommodation should contact Human Resources. Any employee who believes they have been subjected to discrimination or retaliation based on pregnancy should report claims to the Nondiscrimination Coordinator and Complaint Managers.

Employees also have the right to contact the Illinois Department of Human Rights about filing a formal complaint of discrimination or retaliation.

**Occupational Safety and Health Act (OSHA) Compliance**

The District complies with the regulations outlined in OSHA. The Act requires that an employer: provide a place of employment free from hazards; correct any known violations of safety standards; and maintain records and make periodic reports on work-related injuries or illnesses. Employees who are aware of any defective equipment or furniture should report such findings to their building administrator.

**Safety of Employees**

- The Building and Grounds Supervisor

**Physical Safety and Security**

- If you observe an unauthorized individual in an office or work area, immediately call your supervisor.
- Any losses or thefts of personal belongings or District property should be reported to your immediate supervisor.
• For your protection and the protection of our students, some offices and work areas are monitored by surveillance cameras.

**Drug and Alcohol-Free Workplace; Tobacco Prohibition**

<th>Personnel File</th>
</tr>
</thead>
</table>
| **Board Policy Reference: 5:150**  
Please refer to the Collective Bargaining Agreements for more information: |

District 168 maintains a personnel file for each employee. Your personnel file includes information relating to your hiring, training, performance, salary increases and other changes in your status as a District employee.

Your personnel file is the property of District 168. The information contained in your personnel file is generally treated by the District as “confidential” and as such, access to your personnel file is restricted. Generally, only administrators and other personnel who have legitimate business reasons to review information contained in your personnel file will be granted access. When requests for information about an employee by a prospective employer is made, the District will only confirm position and employment dates unless the employee has submitted a written request to the Superintendent or designee and the District agrees. All other requests for access to personnel information are governed by Board Policy 2:250, Access to District Public Records.

Employees should contact the Human Resources Department should they want to review their file. The Human Resources Department will then contact the employee to arrange a mutually convenient time to review the personnel file.

Errors found in personnel documents should be brought to the attention of the Human Resources Coordinator. If an employee disagrees with information contained in the personnel record, a written statement explaining the employee’s position may be submitted to the Human Resources Coordinator and will become a part of the personnel file. All employees are permitted to have a copy when a request is made in writing. It is important that the information contained in your personnel file is current and accurate. As such, you must provide your Human Resources with up-to-date information regarding the following:
• Name, current home address and telephone number
• Emergency contact information
• Military status (if applicable)

**Reporting Changes in Employee Contact and Other Information**

Employees should contact Human Resources and the Business Offices regarding all changes that might affect their benefits, payroll withholding or personnel record. Examples include changes in legal name, address, telephone and emergency contacts, change in beneficiary, birth of a dependent, and educational degrees.

**EMPLOYMENT PROCEDURES AND INFORMATION**

**Employee Classifications**

**Regular Full-Time**

Generally, employees who are scheduled to work at least thirty (30) or more hours per week on a consistent basis are considered by the District to be regular full-time employees; anything less is part time. Regular full-time employees are paid on a salary basis. Regular full-time employees are eligible to participate in all District benefit programs, subject to the terms, conditions, and limitations of each program.  

*District Employees categories: Certified and Classified Staff*

**Regular Part-Time**

Generally, employees who consistently work less than thirty (30) hours per week are considered by the District to be regular part-time employees. The Superintendent will make recommendations to the Board to determine hours based on District needs and budget considerations.

**Exempt Employees:** (as defined by the Fair Labor Standards Act): are not required to be paid overtime under the Fair Labor Standards Act.

**Contracted and At Will Employees**

Unless otherwise specifically provided, District employment is at-will, meaning that the District may terminate an at-will employee at any time for any or no reason, but not for a reason prohibited by State or federal law.

Nothing in this Handbook or Board of Education policy is intended or should be construed as altering the employment at-will relationship.

**Hiring Process and Criteria**

*Board Policy Reference: 5:30*

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with Board of Education policy on equal employment opportunity and minority recruitment. The Superintendent is responsible for recruiting personnel and making hiring recommendations to the Board. All applicants must complete a District application in order to be considered for employment.
**Job Posting System**
Current employees are encouraged to apply for internal positions through the District’s Applitrack System. Employees should observe the following process for applying for positions:
- Apply for the position through the District’s Applitrack System.
- Submit a letter of interest and include a copy of your most recent resume to the Human Resources
If selected, you may be called to interview with the hiring administrator. It is important to inform your current Principal/Manager of any hiring decisions as soon as possible.

**References**
It is the District’s hiring procedure to check the employment references and other qualifications of applicants when a job offer is made. When unusual circumstances make these impossible, offers of employment may be made contingent upon satisfactory reference checks. Documentation relating to all reference checks is maintained in your personnel file. Falsification of any information constitutes grounds for immediate termination. Employees are prohibited from releasing any information about former or current employees without the prior approval of the District’s Administration. This prohibition includes providing references for former or current employees.

**Background Investigations and Other Security Measures**
For security purposes and as required by *the Illinois School Code*, all employees of the District must undergo a background check prior to beginning employment. Information obtained from background checks are forwarded directly to the Office of the Superintendent. The District uses a third-party vendor to conduct background checks on all new employees.

**New Employee Probation Period**
All new employees of District 168 are subject to a Probation Period (non-certified positions are 60 days, certified positions are according to the non-tenured provisions of the School Code). The probation period is an opportunity for new employees to demonstrate their ability to perform the duties of the position for which they were hired. During this period, the employee’s work performance is carefully evaluated by the Principal/Manager to determine their suitability for continued employment. If at any time during the probation period the employee’s work habits, behavior, attendance or performance is deemed by the administration to be unsatisfactory, the Board, upon recommendation from the Superintendent, shall have the authority to discharge the employees without cause during that period.

Successful completion of the probation period does not guarantee continued employment for any specified period of time, nor does it require that an employee be discharged only “for cause.” Employment with the District is in accordance with the terms of the Collective Bargaining Agreements, individual contracts, and Board Policy.
Employee Transfers and Assignments
The Superintendent is authorized to make assignments and transfers of educational support personnel. Certified and Classified staff should refer to the CBA regarding transfer and assignment procedures.

Resignations
Resignation of Educational Support Personnel
Employees are requested to provide 2 weeks’ notice of a resignation. A resignation notice cannot be revoked once given. Employees will provide a dated and signed letter with the following information: name, work location, current position, and last date of employment to Human Resources. You may also provide a copy to your immediate supervisor.

Resignation of Tenured Teachers
Board Policy Reference: 5:210, IL School Code Section 24-14
Tenured teachers may resign at any time with consent of the Board of Education or by written notice sent to the Board Secretary at least 30 days before the intended date of resignation. However, no teacher may resign during the school term in order to accept another teaching position without the consent of the Board. A teacher who resigns mid-term to take a new teaching assignment without concurrence of the Board will face potential penalties, including a license suspension of up to one year.

Retirements
Employees covered by a Collective Bargaining Agreement or individual contract should refer to those agreements for specific retirement procedures and notice requirements, if any. If not, an employee planning to retire should notify his or her supervisor at least 2 months before the retirement date.

Involuntary Terminations
Involuntary termination of your employment may occur, within the discretion of the administration, based on Reduction in Force (RIF) or based on work performance, misconduct, failure to adhere to District policy, procedures or guidelines, or other circumstances where the administration believes termination is appropriate. See Collective Bargaining Agreements, Board Policies, and individual contracts for additional information.

Terms and Conditions of Employment and Dismissal
The Board of Education delegates authority and responsibility to the Superintendent to manage the terms and conditions for the employment of all District personnel. The Superintendent is responsible for making dismissal recommendations to the Board consistent with the Board’s goal of having a highly qualified, high performing staff.

Exit Interviews
On or before your last day of work, you may have an exit interview with your administrator. At that time, you must turn in any District 168 property in your possession such as your ID/access card. You will also be informed of your right, if applicable, to continue medical and dental coverage through the Consolidated Omnibus Budget Reconciliation Act (COBRA).
All other District equipment (computers, cell phones, and etc.) must be returned to the Human Resources and Public Relations Assistant on or before the last day of work.

**Employee Performance**

Employees should refer to their Collective Bargaining Agreements or individual contracts regarding procedures for performance evaluations. For those employees not subject to such an agreement, they will be subject to a performance evaluation created by the District, including standards contained within Board of Education policies as well as any requirements found under State law. The standards for the evaluation program will include, but not be limited to:

1. Each employee shall be evaluated annually, preferably before the annual salary review.
2. The direct supervisor shall provide input.
3. The employee’s work quality, promptness, attendance, reliability, conduct, judgment, and cooperation shall be considered.
4. The employee shall receive a copy of the annual evaluation.
5. All evaluations shall comply with State and federal law.
6. New classified employees also receive an evaluation the first 60 days of employment.

**EMPLOYEE ETHICS, CONDUCT, AND CONFLICTS OF INTEREST**

*Board Policy Reference: 5:120*  
Employees must exercise good judgment in dealings with the District and its constituents, (students, parents and community members) consistent with the high degree of trust and confidence that is placed in employees by the District. The need for the stringent application of this principle is heightened by the necessity that the District, in turn, exercises the highest degree of ethical conduct in its dealings with its students, parents and community members. This can be accomplished only through your individual commitment to the District’s Values: Integrity, Respect, Teamwork and Professionalism.

The District’s standards of conduct are necessarily strict because they are intended for the benefit and protection of the District and its employees. No attempt to delineate guidelines for proper conduct can hope to cover every potential situation which may arise during your service with the District. Any questions concerning the standards of conduct should be referred to the Board of Education, Superintendent or his/her designee. Violations of the standards of conduct policy are grounds for disciplinary action, including dismissal. The standards of conduct set forth herein will be applied fully and fairly.

**Professional and Appropriate Conduct:** All District employees are expected to maintain high standards in their school relationships, to demonstrate integrity and honesty, to be considerate and cooperative, and to maintain professional and appropriate relationships with students, parents, staff members, and others. In addition, the Code of Ethics for Illinois Educators, adopted
by the Illinois State Board of Education, is incorporated by reference into this policy. Any
employee who sexually harasses a student or otherwise violates an employee conduct standard
will be subject to discipline up to and including dismissal.
