Message from the Principal

We have had a great start to the school year! Every day, we see smiles on the students' faces, and we appreciate the positive attitudes and willingness to learn that they bring with them.

At Golden Hills, we value a positive and healthy learning environment. Therefore, if your child brings a snack for our snack recess at 11:10, or brings a lunch from home, please make sure it is nutritional. Fruits or vegetables are a great snack food! Please note that we do not allow Hot Cheetos, Takis, or any other foods that contain red dye at Golden Hills. It is difficult to get out of the carpet when stepped on, and it gets on our computer keyboards. We also do not allow sodas, glass bottles, toys, or trading cards.

Parents Please Note:

Please make sure your child knows how he/she is going home each day. It is difficult to get messages to students without interrupting the instruction of others! Teachers will expect students to go home the same way each day **unless** the student has a note saying otherwise.

Also...if a student is riding the bus to a friend's house, we must have a note from **both** homes. We want to ensure that all parents are aware of the plans.

Jog-A-Thon

Golden Hills will be having our annual Jog-A-Thon fundraiser on September 11th. Your donations will go towards field trips and classroom materials. Thank you for supporting our wonderful students!

Golden Hills School Hours:

Monday through Thursday –
8:35am to 2:45pm
Fridays – 8:35am to 1:45pm

Please Note:

There will not be any supervision on our campus until 7:45am daily. If you need to drop off your child before then, he/she will be asked to wait in a designated area, unsupervised until 7:45.

Your Student is I-Ready, Are U-Ready?

Please join the principal, Kristi Napoli for coffee and a description of I-Ready on September 20th at 9:15 AM in the Golden Hills Library.

Your students are using I-Ready weekly diagnostics for report cards and learning modules to help. I-Ready Instruction provides students with lessons based on their individual skill level and needs, so your child can learn at a pace that is just right for them. These lessons are fun and interactive to keep your child engaged as they learn.
