After School Program 2019-20

janisy@bolinas-stinson.org

Welcome to our After School Program! We are so delighted you are participating. The mission of the After School Program is to enhance the community and enrich the lives of its students. The After School Program provides a safe, supportive and structured environment aimed at promoting the social, physical, intellectual, and artistic development of our youth while maintaining respect, care and courtesy for children, parents, teachers, each other, and our greater community. All Bolinas-Stinson Union School District rules, policies, and procedures apply.

Students are expected to:

- follow the rules outlined in the BSUSD Handbook
- go to their after school class directly after the school day has ended.
- act in an appropriate manner. After school programs are not to be considered childcare. Disruptive children may not be able to participate.
- be present and engaged.

Parents are expected to:

- pay the children's instructor in a timely manner.
- provide snacks for your child(ren).
- BE ON TIME for pick-up.
- communicate with the instructor when your child will be absent.

Teachers are expected to:

- be on campus (or the location of class) at least 5 minutes before class is scheduled to begin.
- inform parents if class needs to be cancelled or rescheduled.
- keep a record of student's attendance and payment.
- submit an invoice for scholarship tuitions to the After School Program Director.
- contact parents if registered students do not show up for class.
- supervise during and stay with students after class until the last student has been picked up.

Thank you for being part of our program!

Education is the kindling of a flame, not the filling of a vessel. -Socrates
