

SANDITE SUCCESSES!

**GREAT THINGS ARE HAPPENING IN
SAND SPRINGS PUBLIC SCHOOLS
AUGUST 2019**

Angus Valley Elementary

**Uriah Schroeder recited the pledge of allegiance at Meet the Sandites!!*

**Our PTO welcomed our students back with words of encouragement written in chalk on the sidewalk!!*

Central Ninth Grade Center (CNGC)

**Sherri McKibbin, CNGC Physical Science and Aeronautics/Aviation Teacher, received a grant in the amount of \$2000 from the Oklahoma Aeronautics Commission. The grant will be used to purchase drones for the Aviation/Aeronautics courses. This will provide a great benefit to the students as they explore the different uses of drones in today's society.*

Charles Page High School (CPHS)

**This July, CPHS teachers Sandy Charlson and Kendra Roulet along with Angus Library Media Specialist Laura McGehee accompanied 24 CPHS students on a week-long tour of New York City, Boston, Philadelphia and Washington DC.*

Charles Page High School (CPHS)

**Thank you to the CPHS drum line under the direction of Kyle Wright, CPHS cheer led by Carrie Schlehuber, CPHS dance led by Michelle Spears and Frank Cooper's CPHS STUCO for leading the Sophomore Welcome Assembly on the first day of school. Shout outs also go to Andrea Campfield for organization of the Auditorium, CPHS mascot Karlie Roulet, and STUCO President Emily Schlehuber for the Pledge of Allegiance. The Class of '22--the Double Deuce--is going to be a class to remember!*

Clyde Boyd Middle School (CBMS) Sixth Grade Center (SGC)

**The Sixth Grade Center is so thankful for the amazing parents who helped out the first three days of school!*

They were all around our hallways wearing "Ask Me" badges, taking students to and from electives at CBMS, helping with combination locks, finding classes, and calming first day nerves. These parents reported having a great time!

**CBMS yearbook staff attended a workshop this summer at ORU. The students had the opportunity to work with graphic designers to begin creating the yearbook cover and learn the yearbook process. Students also took a tour of ORU prayer tower.*

Go Sandites!

Early Childhood Education Center (ECEC)

****Our first days of PreK have been amazing! Our smallest Sandites are learning to walk in line, play cooperatively with friends, name letters, say the ECEC Creed and soooooo much more.***

Limestone Technology Academy (LTA)

****Students were welcomed back to Limestone by the staff on Tuesday! There were lots of cheering and smiles!***

**** Limestone is an official Monarch Waystation site. Our butterfly garden, maintained by Mrs. Barbie Jackson, provides the perfect conditions for monarch butterflies as they migrate through North America. We are excited to see caterpillars and butterflies throughout their life cycle, and are anxiously awaiting the migration time.***

Garfield STEAM Academy

****Garfield STEAM Academy is lucky to have Robert Lee join our Staff. Robert has 20 years of experience and is teaching 1st grade. He hit the ground running and rocking first grade!!***

Northwoods Fine Arts Academy (NFAA)

****Keystone Chevrolet donated \$2,000 to NFAA for our partnership during the flood. Due to the potential levee breach, Keystone Chevrolet utilized our parking lot to protect many of their vehicles.***

Pratt Elementary

****Pratt 4th graders are enjoying a wonderful first day back at school. They have learned lunch procedures so well. Way to go Sandites!!***

**** Keldon Tucker takes a moment to pose for the camera during lunch time. Welcome to 1st grade Keldon.***

Go Sandites!
