
Scott Ribelin

Class of 2005

Then vs. Now

While in High School

Scott Ribelin was in the senior class of 2005. Throughout high school he was active in football, baseball, and FFA. Scott stated that while he was an average student, he tried his hardest.

When asked who his favorite teacher was Scott replied with, “My favorite teacher was Mr. Holthaus. He was a teacher that could joke around, but he also wanted his students to be the best they could be. He pushed me to be better.”

Scott’s College and Career

After high school Scott attended Kaw Area Technical Institute, now called Washburn Technical Institute, where he obtained certification in Horticulture.

He currently applies the skills he obtained through training by working for R & R Lawn Care, owned by Scott's father, Bryan Ribelin.

When asked what his advice was for the current seniors, he stated, "Stay focused in school and continue on because having a college degree will help you better yourself for success."

Where is he now?

After graduating from high school and Kaw Area Tech, Scott married his high school sweetheart, Kayla Miller, on July 17, 2010.

On December 19, 2014, Kayla and Scott started their family with a beautiful baby boy

named Blaine. Scott believes that family is a very important foundation for his success.

When asked if he would change anything about his high school days, Scott's response was, "I'll admit I do miss it, but I wouldn't change anything. High school was where I met my best friend and led

me to where I am and what I have now."

A Big Thanks

Thank you to Scott for taking some time to share his life and advice with the Royal Valley family!
