

K-8 Benchmark Assessment Development

On behalf of the K-8 Benchmark Assessment Committee, thank you for your commitment to the redevelopment of our benchmark assessments for improving student academic success in ELA and Math.

In preparation for your work on new benchmark assessments, please let us know what materials would be helpful to you and your team for assessment development. We will gather these and provide them to your team prior to our scheduled work days. *You only need to complete one form for each grade level or team.*

****Please complete this form no later than Friday, March 3, 2023.**

Please feel free to reach out to Deb Domagala at extension 2517 if you have any questions or would like additional information.

Sincerely,
The K-8 Benchmark Assessment Committee
