

SPRINGFIELD SCHOOL DISTRICT FREE AND REDUCED PRICE SCHOOL MEALS POLICY 2017-2018 SCHOOL YEAR

Springfield School District announced its policy for determining eligibility of children who may receive free and reduced price meals served under the National School Lunch (NSLP) and School Breakfast Programs (SBP). Local school officials will use the following household size and income criteria for determining eligibility.

Household Size	Free Guidelines – Annual Income	Reduced Guidelines – Annual Income
1	\$15,678	\$22,311
2	\$21,112	\$30,044
3	\$26,546	\$37,777
4	\$31,980	\$45,510
5	\$37,414	\$53,243
6	\$42,848	\$60,976
7	\$48,282	\$68,709
8	\$53,716	\$76,442
For each additional person:	\$5,434	\$7,733

Children from families whose income is at or below the levels shown are eligible for free or reduced price meals.

Applications for free and reduced price school meals, instructions and an informational letter to households are available at the Jr./Sr. High School Office, 473 W. 5th Street; Elementary School Office, 389 Tipton Street and school website www.spre4.org. Only one application is required for all children in the household. The information provided on the application is confidential and will be used only for the purpose of determining eligibility and verifying data.

Applications from households receiving Supplemental Nutrition Assistance Program (SNAP) benefits, Food Distribution Program on Indian Reservations (FDPIR) benefits or Temporary Assistance for Needy Family (TANF/Colorado Works, Basic Cash Assistance or State Diversion) benefits need to provide the respective case number and the signature of an adult household member. Eligibility for free school meals is extended to all children in the household when the application provides a case number for any household member.

Households that qualify based upon income must provide the names of all household members related or not (such as grandparents, other relatives or friends), the amount of gross income each household member receives, the frequency and source of pay, the signature of an adult household member and the last four digits of that adult household member's Social Security number—or check the box if the adult household member does not have a social security number. Springfield School District or program officials may verify the information on the application at any time during the school year.

Households with children who are eligible under the Head Start, homeless, migrant, or runaway programs should contact Pam Hartley for assistance in receiving meal benefits. To complete an application, the household must mark the relevant box to indicate their appropriate eligibility and the signature of an adult household member is required.

Foster children who are under the legal responsibility of a foster care agency or court are eligible for free school meals. Any foster child in the household is eligible for free school meals regardless of income. If a household has only foster children in the home and wishes to apply for free school meals, the application should be completed using the instructions for *households with foster children only*. If a household has foster and non-foster children living with them and wishes to apply for free school meals, the application should be completed using the instructions for *households with foster and non-foster children residing in the home*. Including foster children as household members may help other children in the household qualify for meal benefits. If the foster family is not eligible to receive meal benefits, it does not prevent a foster child from receiving free school meals.

An application cannot be approved unless it contains complete eligibility information as indicated on the application and instructions.

When determined by Springfield School District, that members of a household are receiving assistance from SNAP, TANF or FDPIR, households will be notified of their children's eligibility for free school meals. If the household receives such notice, no application is

required for free or reduced price school meal benefits. If any children in the household were not listed on the eligibility notice or not listed on the application, the household should contact Springfield School District to have benefits extended to all children in the household.

When determined by Springfield School District, that an individual child is categorized as homeless, migrant, or runaway or is enrolled in an eligible Head Start program, households will be notified of the child's eligibility for free school meals. For any children not listed on the eligibility notice, the household should contact Springfield School District about eligibility under one of these programs or should submit an application for other children.

Springfield School District will notify households of their children's eligibility for free or reduced price school meals. The eligibility is valid for the current school year and a carryover period of up to 30 operating days into the next school year. When the carryover period ends, unless the household is notified that their children are directly certified or the household submits an application that is approved, Springfield School District will not send a reminder or a notice of expired eligibility and the children must pay full price for school meals. Households notified of their children's eligibility for free or reduced price school meals must contact Springfield School District if they choose to decline meal benefits.

Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) participants may be eligible for free or reduced price meals. Please contact your school district.

Under the provision of the free and reduced price school meal policy, Lisa Noe will review applications and determine eligibility. If a parent is dissatisfied with the decision, a request may be made to discuss it with the determining official. A formal appeal may be made either orally or in writing to Richard Hargrove, 389 Tipton, Springfield, Colorado, 719-523-6654 , richard.hargrove@spre4.org for a hearing to appeal the decision. Springfield School District has a copy of the complete free and reduced price school meal policy, which may be reviewed by any interested party. The policy contains an outline of the hearing procedure.

Applications may be submitted at any time during the school year. The household may complete an application if any household member(s) have a decrease in income, become unemployed, have an increase in family size, become eligible for SNAP, TANF or FDIPIR benefits or become categorically eligible.
