September 3, 2019

Dear Parents and Guardians,

We are pleased to announce that we are in the process of planning a field trip for our eighth graders to travel to **Boston, Massachusetts** for a day. The students will be visiting sites found in Boston related to the American Revolution and in particular they will have the opportunity to explore the Freedom Trail. We are especially excited about this trip because it will provide direct connections for students to what they will be learning in the social studies curriculum this year. (The students will study the historical sites before the actual trip!).

The cost of the trip is **\$50** for each student, which covers the cost of transportation and includes a \$10 meal voucher for lunch at the historical Faneuil Hall Marketplace (see meal voucher menu). The students will depart Swift Middle School at 7:00 AM and return at approximately 6:00 pm. (rain or shine – appropriate dress is required for outdoor activities). Please contact Mrs. Lerz if you need assistance.

In order to ensure that participants on the field trip have experiences that are both positive and worthwhile, conditions have been established to reinforce the importance of good behavior, self-discipline, and responsibility. Our school climate reinforces these critical life skills with your child on a daily basis. Students wishing to attend this trip, must demonstrate that they are capable of acting responsibly on this trip by their behavior here at school each and every day.

All students planning to attend this field trip must complete the attached permission form with a **\$50 payment** to their homeroom teacher on or before **Friday, September 13, 2019**. (Checks need to be made payable to Swift Middle School) Please contact the office at 860-945-4830 with any questions. This trip is scheduled for the students on the **Crimson Team for Wednesday October 9<sup>th</sup>**.

Sincerely,  
Crimson Team teachers
