Creating a Parent Progress Book Account

The software that was used to check student grades has been replaced with a new version. Parents are now able to create their own account for checking grades. Follow the steps below to create your parent account.

Step 1: Go to https://pbaccess.hccanet.org and select Clermont Northeastern from the list.

Step 2: Select create your account button

Step 3: Select Parent as Account Type

Step 4: Enter your info and pick a username and password.

Step 5: Enter student info listed on this paper in box 3. OPTIONAL: Click on “link another student” to add more than 1 child to your account.
