

HARRINGTON SCHOOL DISTRICT

An invitation to apply - Part-time Superintendent of Schools

The Harrington School District is seeking an exceptional, part-time (0.5 FTE) superintendent with knowledge about the opportunities, benefits and challenges that are part of managing a small, rural school district.

QUALIFICATIONS & EXPERIENCE

Possess Masters degree, preferring candidates who hold a Washington State Superintendent credential

Successful experience as a teacher, building or district administrator, and/or as a superintendent

Possess an open and collaborative leadership style that fosters teamwork

Commitment to being visible and present in the school and community

Interactive and engaging with students, staff, parents/families and community members

Demonstrates integrity, honesty and diplomacy

Experience (or willingness to learn) working with and receiving grants through iGrants

Sense of humor

Knowledge of current P-12 issues and best practices, including learning improvement approaches

Knowledge of current Washington school funding practices and issues

Vigorous advocate for Harrington School District students and staff

OUR MISSION

“ In partnership with our community, Harrington School provides all learners with opportunities to acquire the knowledge, skills, and experiences to become independent, self-disciplined and responsible citizens.”

HARRINGTON IS LOOKING FOR PASSION + LEADERSHIP IS THAT YOU?

Harrington School District is similar to other rural districts in that it has a fairly small student population. While this is true we strive to create a learning environment that allows as much opportunity for our students in both academics and extra curricular activities as possible.

The unique diversity of having pre-school through 12th grade in one building allows for learning and experiences that push beyond academics alone.

The HSD Board of Directors is working with NorthEast Washington ESD 101 in the search for this position.

Join our team of dedicated educators

HARRINGTON SCHOOL DISTRICT

The HSD is a single building preschool through 12th grade that serves an enrollment of 135 students. With small class sizes and new updates to infrastructure and programming Harrington is constantly working to improve student experience and opportunities.

The single building houses a wing for elementary, a separate secondary wing with the two being separated by a full gym, indoor swimming pool, multipurpose room/cafeteria, music room and agriculture room and mechanics shop.

The Harrington School District has passionate qualified teachers and staff that help students succeed. HSD offers many kinds of extracurricular activities to encourage students to develop socially, emotionally and physically in order to become well rounded citizens in our society.

We have a community, staff, parents and school board that are all striving towards providing the best opportunities and education possible for each of our students. We are seeking a superintendent that wants to help the students in our district thrive. We know a good fit will be with someone that has demonstrated integrity, honesty and the ability to communicate clearly and openly.

HSD is located near the center of Lincoln County in Eastern Washington. It is the heart of the supportive community of Harrington. The Harrington School District has a rich history of community involvement and participation. The community regularly supports levy's and improvements that allow HSD to better serve each of our students.

With a bright future ahead of us we will continue to improve and build on the strong foundation that has been laid. We look forward to welcoming a superintendent that will be a leader in the coming years of this journey.

The Board will negotiate a contract with the superintendent with a salary range of \$65,000-\$75,000. Benefits will include medical (with vision), dental, life and long-term disability, and participation in Washington state retirement.
