ABOUT THE TOWN OF HARRINGTON AND THE HARRINGTON SCHOOL DISTRICT...

Harrington is a small, rural wheat farming town located approximately 60 miles west of Spokane, WA with a total population of just over 400 residents. Harrington is located at the geographic center of Lincoln County, surrounded by rolling wheat fields. The city of Davenport is 13 miles north while the town of Sprague is 22 miles south.

We are a P-12 school where all the students attend the same school. There are about 150 students who attend the school in a single building. Our school is the center of the community, receiving great community and school board support. Our staff, from bus drivers to teachers, work closely together. We work as a team to meet the learning needs of all children.

WHO SHOULD APPLY?

We are looking for a teacher who is passionate about children and believes that all students can learn. A qualified applicant would possess a valid Washington State teaching certificate with an elementary endorsement. Candidates who hold certifications of endorsements to teach multiple subjects are also strongly encouraged to apply. Candidates must be willing to teach upper elementary grades, including a combination class. They must be an advocate for all children and demonstrate an ability to inspire students toward meeting the schools' mission and vision. This is a full time, continuing position. Salary is based on placement on the local certificated bargaining unit contract.
