

WEEKLY WARRIOR

Calamus-Wheatland School District

From the Desk of Mrs. Kelting

Our second week with all of the Warrior family being back was great! This week we welcomed our preschool friends to our family. Students are getting back into the swing of things around here. I have seen many students take part in Pre Unit CFAS (Common Formative Assessments), math facts being practiced, mealworms and seed experiments taking place, money being counted, songs being sung, books being read, alphabet practice beginning, the playground being put to great use and many other awesome things!

At the beginning of the year assembly, the following goals were set for each of our students:

- **Explore and try something new.
- **Overload your brain! Learn as much as you can!
- **Work as a team! Together, we are louder!
- **Be Awesome!

I encourage your students to share some of their goals that they have made for themselves and take time to share what your goals are for them in the future. Please contact me if you have any questions or concerns! Have a great weekend!!
