Re: AAA School Safety Patrol™ \$1,000 Grant

AAA Ohio Auto Club is offering high school seniors the opportunity to apply for one of ten \$1,000 grants by competing in the AAA School Safety Patrol \$1,000 Grant Scholarship Program. The program is limited to high school seniors who once served as a member of the AAA School Safety Patrol and is designed to help former AAA School Safety Patrol members further their education after graduation.

To enter, students must complete the attached application form, which seeks information on academic record, safety patrol experience, in-school and out-of-school activities, and references. Additionally, applicants must write a minimum 500 word double-spaced essay, provide school transcripts and include a letter of recommendation. Please review the attached grant application for more details.

Once all applications have been reviewed, fifteen finalists will be chosen for a phone interview with members of the AAA Ohio Auto Club Traffic Safety Department, who will make the final decision. Recipients of the grants are chosen based on their academic performance, school and community service, letter of recommendation, essay and the interview. The five finalists who are interviewed but not awarded a \$1,000 grant will receive a \$250 grant.

Applications must be submitted and postmarked no later than **Friday, February 22, 2019**. No application will be accepted without the signature of the Guidance Counselor or other school official, and the applicant.

Do not hesitate to contact koriordan@aaaohio.com with any additional questions.

Sincerely,

Kellie O'Riordan
