day 1

Dear Parents,

Please find enclosed some sheets for your child to work on during inclement weather days . There are a series of 5 packets each with your child's name on the front and papers inside to work on . The skills are review skills that your child already knows how to do without help. This means we have done something like this or this paper before. Please take the time to review the work with your child and be sure to return the paperwork in the enclosed envelope with your signature stating that you have seen and checked the work. Thank you for your kind understanding and help in this matter. If your child returns these papers, we will not have to make up any inclement weather days we miss.

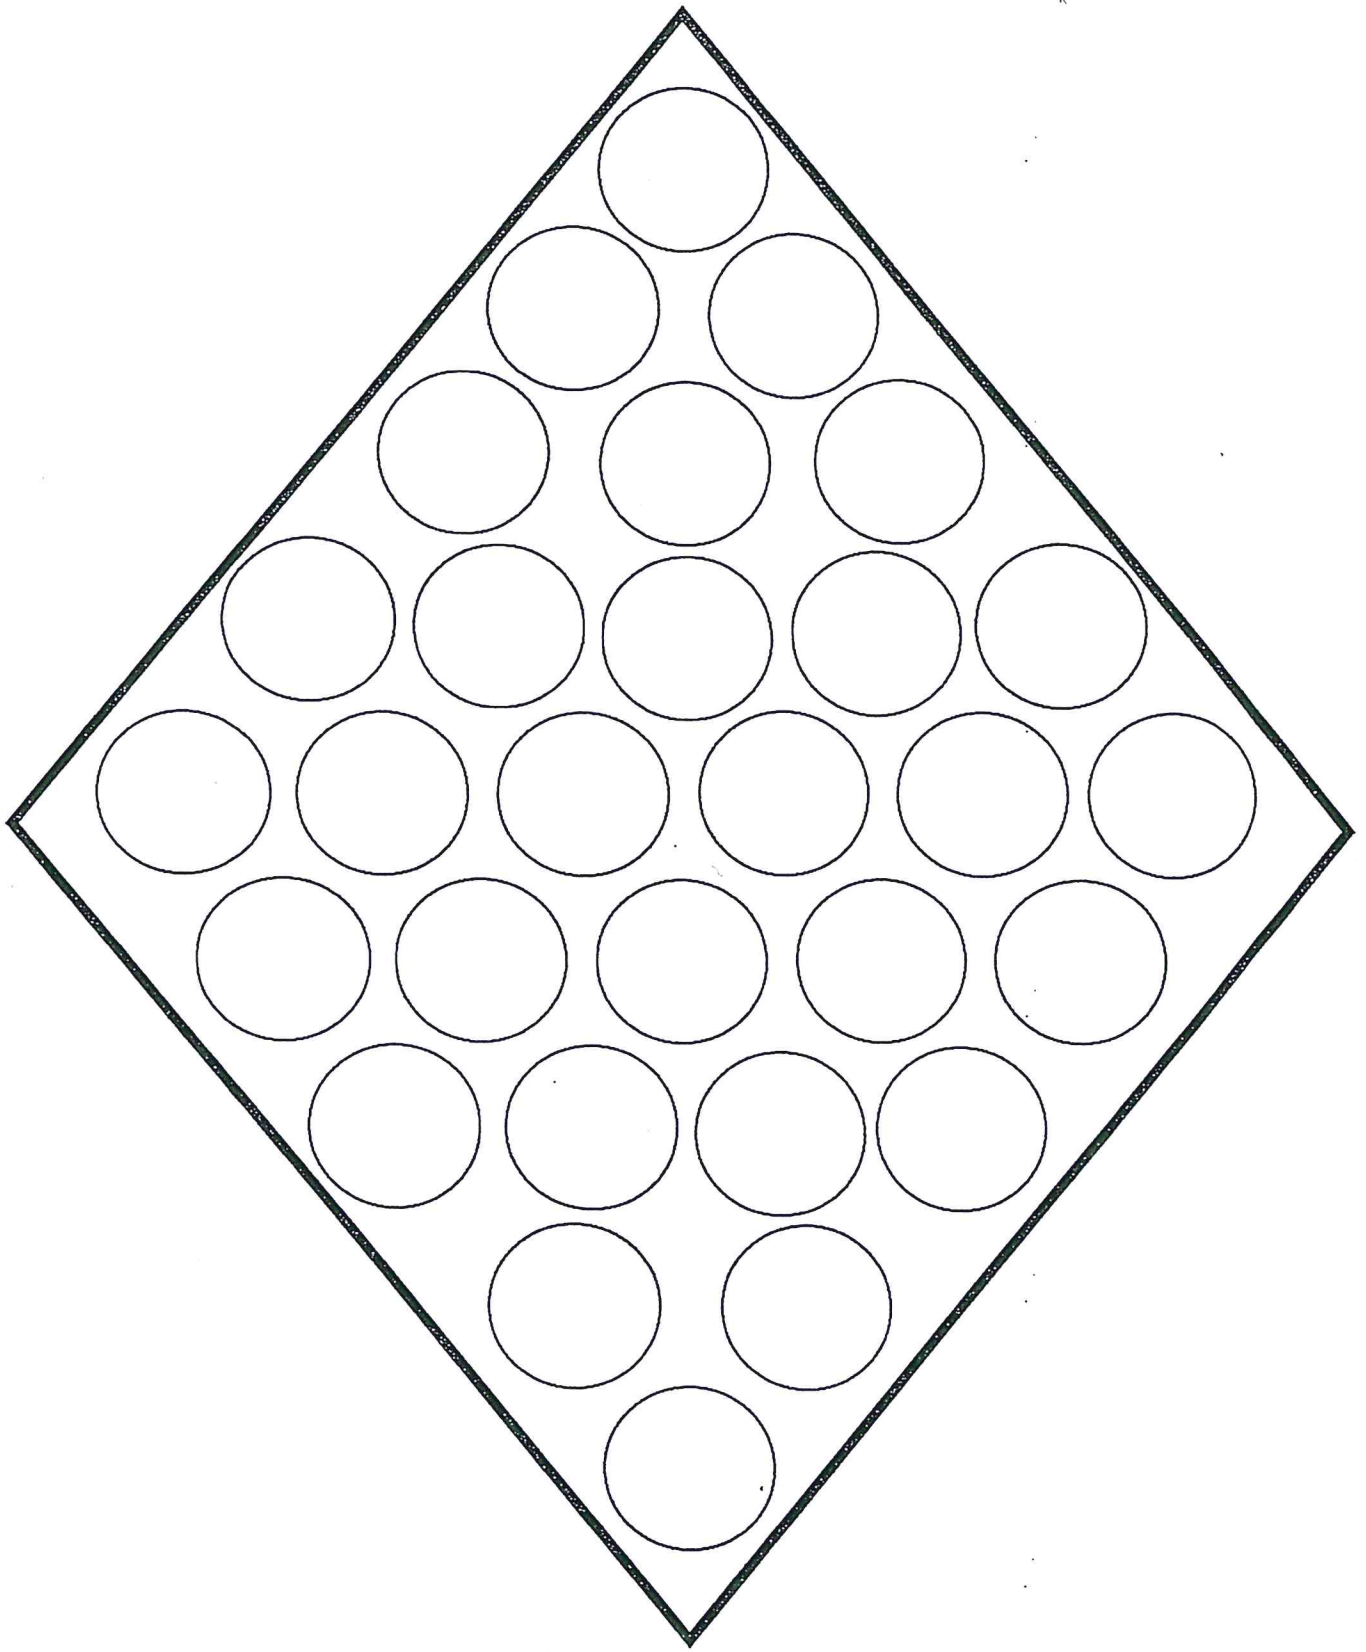

Sincerely,

Mrs. Carnell
