

**EASTON JR/SR HIGH SCHOOL**  
**LAPTOP TAKE HOME PROGRAM**  
**2019-20 SCHOOL YEAR**

Participation in the Laptop Take Home Program requires the purchase of the Laptop Protection Plan.

Please complete and return this form to enroll in the Easton Jr/Sr High School's Laptop Take Home Program along with the Laptop Protection Plan form and required payment.

I/We will be allowing our student to bring home their assigned MLTI laptop computer.

I understand that the school's Internet filter does not function off of the school's network.

I have read the Student Computer and Internet Use and the Student Computer and Internet Use Rules documents (found on the school's website under Technology) and will enforce compliance with these documents while our student has their assigned laptop off school premises.

---

I do not wish for my student to participate in the Laptop Take Home program. My student will keep his/her assigned MLTI Laptop at school.

Student's name (please print) \_\_\_\_\_
