VIII. Closing Open Forum

NOTE: The 15 minute Closing Open Forum is the time the Board sets aside to hear comments from the public. This is an opportunity for residents to voice concerns or compliments, especially about items on the agenda. However, this is not the time to register complaints about individuals or about items that have not first been addressed through proper channels.

IX. Executive Session

It is expected that the Board of Education will adjourn to Executive Session to discuss matters concerning particular persons. The Board will return to public session after Executive Session but will not be taking any action and then will adjourn.

Conduct of Executive Sessions: Upon a majority vote of its total membership, taken in an open meeting pursuant to a motion identifying the general area or areas of the subject or subjects to be considered, a public body may conduct an executive session for the below enumerated purposes only, provided, however, that no action by formal vote shall be taken to appropriate public moneys:

- matters which will imperil the public safety if disclosed;
- any matter which may disclose the identity of a law enforcement agent or informer;
- information relating to current or future investigation or prosecution of a criminal offense which would imperil effective law enforcement if disclosed;
- discussions regarding proposed, pending, or current litigation;

An exception includes voting on charges against a tenured teacher. No public body, including a school board may vote to appropriate money during an executive session. All members of the board of education, other than a student board member, and any other person authorized by the board may attend an executive session. Thus, only those people invited by the board may attend. It is important that a school board exercise discretion in deciding whom to invite into executive session because of important confidentiality issues.
