Local School Wellness Policy Implementation Review

Local Wellness Policy Implementation Review	
District/RCCI Sponsor:	Date:
Stakeholder Participation: <i>LEAs are required to involve parents, students, school administrators, teachers, representatives of the school food authority, the school board, and the public in the development, implementation, and periodic review of the LWP.</i>	
Goal in current wellness policy:	The school district and when appropriate individual schools within the district will create or work with an existing advisory group that will assist in developing, implementing, monitoring, reviewing and, as necessary, revising school nutrition and physical activity goals.
Implementation Progress:	<p>Curriculum team is meeting to adopt new Health/Nutrition curriculum. School admin is working with PE teacher to identify curricular standards and align K-12 physical education class activities accordingly.</p> <p>After school programs and extra-curricular sports offerings include; supervision in the Weight Room, Volleyball, high school Wrestling, Jr. High Basketball, High School Basketball, Taekwondo, Jr. High Wrestling, XC Skiing, NYO, Soccer</p>
Next Steps:	Operations Director will perform annual review of food service plan with food service personnel.
LWP goals for Nutrition Education: <i>LEAs are required to include goals for Nutrition Education</i>	
Goal in current wellness policy:	Schools shall provide enough space and serving areas to ensure all students have access to school meals with minimum wait time.
Implementation Progress:	<p>K-6 and 7-12 students are being served breakfast from 7:30-8:00am. These cohorts of students eat in different locations, which supports a timely flow of traffic expediting service times.</p> <p>Similarly, K-4, 5-6, 7-8 and 9-12 students have different lunch schedules and multiple locations available to eat their lunch. Also, students in grades 8-12 have an open campus, which enables them to leave school during lunch. A byproduct is that students</p>

Local School Wellness Policy Implementation Review

Goal in current wellness policy:	Schools shall encourage families to support their children's participation in physical activity, to be physically active role models, and to include physical activity in family events.
Implementation Progress:	<p>School hosts annual "Fun in the Sun Fun Run and Field Day" each Spring. Families are encouraged to attend and participate. A healthy meal is served and healthy snacks are provided throughout the day.</p> <p>School provides opportunities for community members to reserve the gym for open gym. In this context, community members serve as physically active role models for students.</p>
Next Steps:	Brainstorm additional community outreach activities that will promote physical activity and adult participation.
LWP goals for School-Based Wellness: <i>LEAs are required to include goals for School-Based Wellness.</i>	
Goal in current wellness policy:	The School Board recognizes that schools are in a position to promote healthy lifestyle choices by students that can affect their lifelong wellness. Therefore, the School District will provide environments that promote and protect children's health, well-being, and ability to learn by supporting healthy eating, physical, and subsistence activity.
Implementation Progress:	<p>Staff involve students in various subsistence activities; berry picking, ice fishing, hide work, gardening.</p> <p>Academic schedule is built to ensure at minimum 30minutes of physical activity each day.</p>
Next Steps:	
LWP goals for Public Notification: <i>LEAs are required to update the public (including parents, students, and others in the community) about the content and implementation of the LWP.</i>	
Goal in current wellness policy:	The school district will permit and encourage the participation of students, parents, food service personnel, School Board members, school administrators, school health

	professionals, physical education teachers, local SNAP-Ed coordinators and other interested community members in the advisory group. The district will promote opportunities to participate in the advisory group at least once a year through parent and stakeholder communication, which may include newsletters, public announcements, web-postings, parent communication, etc.
Implementation Progress:	SWP is posted to the school website for community review and feedback. Parent and stakeholders will be made aware of the opportunity to view and provide feedback through district messaging platform (K12Swift).
Next Steps:	
Measuring Implementation: <i>LEAs are required to periodically measure and make available to the public an assessment on the implementation of the LWP, including the extent to which schools are in compliance with the LWP and a description of progress made in attaining goals of the LWP.</i>	
Goal in current wellness policy:	The district must conduct an assessment of wellness policy every 3 years, at a minimum.
Implementation Progress:	Principal Huntington led a review of the LWP during the 2022-23 school year.
Next Steps:	
Local Designation: <i>LEAs are required to designate one or more LEA official or school official to ensure that each school complies with the LWP</i>	
Goal in current wellness policy:	The Superintendent or designee will designate one or more persons to be responsible for ensuring that each school within the district complies with this policy, and that school activities, including fundraisers and celebrations, are consistent with district nutrition and physical activity goals.
Implementation Progress:	Principal Huntington has been identified to oversee school compliance. Principal Huntington will work closely with the Operations Director, Chris Robinson, as well as parents/community members and certified teaching staff to ensure compliance.
