III. Discussion

(On Monday February 23, the Greenville Board of Education began the public discussion of the district operating budget for the 2009-2010 school year. The Board of Education Budget Workshops and the Budget Advisory Committee Meetings have been established to ensure transparency in the fiscal process and to provide opportunities for the public, as the budget is actually being developed, to learn about the educational programs and related services as supported by budget expenditures and anticipated revenues. The Board invites public comment throughout the budget development process and encourages you to attend the various meetings as scheduled. The presentation of the required format of the budget (Program, Administrative, and Capital) is detailed further in these discussions into the non-instructional and instructional categories.

It is anticipated that the Board will adopt a final budget at the Business Meeting of April 13, 2009.

The vote on the School Budget is Tuesday, May 19th from 1:00 pm to 9:00 pm in the Elementary School Cafeteria.)
