III. Workshop Discussion

Of the three goals of the Board of Education for 2008-2009, it was requested to discuss the goal pertaining to 21st century learning in more depth with the administrators.

- *The Board will learn how to nurture a 21st century school community that celebrates human diversity and that values and develops the gifts and talents of each student.*

The other goals which are in progress are:

- *Ensure a long-term comprehensive Master Plan for facilities and infrastructure to support educational excellence and advance the broader needs of the community*
- *Develop a comprehensive energy efficiency policy for the District*

IX. Adjournment
