

When using the white bus or a rental vehicle, Highland CUSD 5 has a gas card for your convenience.

WHITE BUS Check out a gas card when you pick up keys for the white bus from the athletic secretary.

White bus key set 1 will be assigned to the White Bus gas card.

White bus key set 2 will be assigned to the HHS 2 gas card.

RENTAL If you are taking a rental, pick up a gas card before your trip from the athletic secretary. Rentals will receive either the HHS1 or HHS 3 gas card and can be used at most major gas stations.

The gas card can be used at most major gas stations. When getting gas:

- Run the card.
- It will ask for an odometer reading - you can enter any number at that time.
- You will then be asked to enter a pin number.

The pin number is located on the card envelope.

- *White Bus - 1001*
- *HHS 1 - 4001*
- *HHS 2 - 4002*
- *HHS 3 - 4003*

If you need at the pump assistance, please call 866-544-5796.

After your trip is over, you will still need to submit receipts.

Submit receipts when you return the gas card the first business day after your trip.
