## September

### 16th - 20th

## What We're Learning!

We are continuing to learn the alphabetic focusing on the letters Ii - Ll this week. Please work with your child in recognizing the letters that we have already learned. As for math, we will continue to learn about shapes. Your child will identify 2D shapes including circles, squares, rectangles, triangles, and hexagons. In addition to identifying shapes, your child will sort shapes by color, shape and size.

**Congratulations to Scarlett Davenport!!** She was our first student to successful count to 100. Please help your child in learning to count to 100. Great job Scarlett!

## Upcoming Events

**Tuesday, September 17:**  
Progress Reports go home

**Wednesday, October 2:** Candy Man Orders Due

**Friday, October 4:** Early Release Day-Release

at 1 p.m. (if this changes I will update it in the newsletter)

**Friday, October 25:** Fall Pictures

## Words of the week:

like we the

**Last Week's Words:**

**Progress Report:** Your child will be bringing home a progress report this week. Your child was assessed on the following: uppercase & lowercase letters, numbers 1-20, shapes, and colors. Please review the progress report, sign and return it back to school.

**Friendly Reminders:** Please make sure that you are signing or initialing your child's behavioral chart nightly! . Also, please make sure your child is completing their homework. Please allow your student to bring a hoodless jacket or coat as our room can get a little chilly at times! Don't forget to help your student memorize their lunch number as they will use it daily and to check out books!
