UNITED HIGH SCHOOL

21st Century Community Learning Center Grant Program

Out-of-School Opportunities

Welcome back, one and all! The 2019-2020 school year is in full swing and the UHS B.O.O.S.T. Program is here to serve 9- 12 grade students and their families, with academic and enrichment opportunities again this year!

Students will have staff and areas to participate in before school activities, Monday-Friday, 7AM to 8AM and then again during the after school programming hours, Monday-Thursday 3 to 5:30 PM. Busing will be provided for those students that need safe transportation home, to our North and West Campuses. Homework Help/Tutoring is a main goal, but other topics such as, Art, Science, Broadcasting/Social Media, Technology, Fitness/Agilities and Other Enrichment Opportunities will be added as the year progresses. The options are almost endless, depending on student interest as well as more specific needs.

Parent/Family opportunities are also a component of this programming at UHS. Those events will take place during the evening hours and those times/dates will be announced well in advance of the offered activity. Parent/Family opportunities will include, but not limited to, FAFSA (Financial Aid) Workshops, Family Painting Nights, Open Houses for Student Showcase, Financial Planning, Music, Technology, and College Planning.
