

POLICY ADOPTION PROCESS

The following procedure shall be used to adopt, review, revise or delete Board policies:

A. The Policy Committee is charged with reviewing and recommending all policies/policy changes to be considered by the Board.

1. Individual Board members, other standing committees, or the Superintendent should submit policy suggestions and concerns to the Policy Committee.
2. The Policy Committee, together with the Superintendent, shall have the responsibility to review and research each suggestion in accordance with Board policies, prepare draft policies as appropriate, and make recommendations to the entire Board.

Any Board member may request that consideration of the adoption, revision, or deletion of a policy be placed on the agenda of any regular meeting if the Policy Committee, after having had full opportunity to consider the member's submitted suggestion, fails to recommend action satisfactory to the member.

3. Whenever practical, the Policy Committee should discuss the proposal with other group affected by the policy.

B. Upon recommendation by the Policy Committee, the first reading of a new policy, revision or deletion of the policy shall be placed on the agenda of a regular Board meeting. Board members shall receive the policy and recommendations in advance of the meeting date. Discussion may take place on the substance of the policy proposal, and a formal vote shall be held to acknowledge the first reading of the policy. Any changes to the policy agreed to by consensus or formally adopted amendment shall be made prior to the second reading.

C. At a subsequent regular meeting, more than two weeks and less than eight weeks after the first reading, the policy shall be placed on the agenda for second reading and action. Amendments may be introduced and acted upon. If a main motion to approve the policy is not passed at such a meeting by a majority vote of the Board, the process for that policy is ended.

However, if appropriate, further consideration of the policy may be tabled to a specific date.
