

ADMINISTRATIVE ORGANIZATION

The legal authority of the School Board shall be transmitted through the Superintendent along specific lines from position to position as shown in the Board-approved organizational chart of the school system.

The lines of authority on the chart shall represent direction of authority and responsibility.

The Superintendent shall have the freedom and responsibility to reorganize lines of authority and to revise the organizational chart subject to Board approval of major changes and/or the elimination and creation of positions. The School Board expects the Superintendent to keep the administrative structure up to date with the needs for supervision and accountability throughout the school system.
