Maine law requires public schools to obtain written approval from parents/guardians prior to publishing personal information about students on the Internet. This form will authorize RSU 56 to publish the following:

- A. Full names of students in connection with class rosters, honor rolls, awards received, and team/extracurricular activity participant lists;
- B. Group and/or individual photographs of students; and
- C. Individual student or class work may be published on the school system's website from time to time in accordance with established guidelines. Such work may include creative writing, research projects, artwork, music, performances, and audiovisual presentations. All student work will include a copyright notice prohibiting the copying of such work without express written permission. Copies of the Board's Website Policy and Guidelines are available at the Superintendent's office, every school office, or on the school system's website.
