

ADMINISTRATION OF MEDICAL MARIJUANA PROCEDURE

The following procedure must be followed for the administration of medical marijuana to students at school.

1. The student's parent/legal guardian/legal custodian shall obtain a copy of the RSU 56 Request/Permission to Administer Medical Marijuana in School Form and Board Policy JLCDA from the school nurse.
2. The parent/legal guardian/legal custodian and the student's authorized medical provider (physician, certified nurse practitioner or physician assistant) shall complete and sign their quest/Permission Form, and attach a copy of the student's current written certification for the use of medical marijuana. The original certification must be shown to the school employee processing the request. A copy will be retained by the school.
3. The parent/legal/guardian/legal custodian must designate the caregiver who will administer medical marijuana to the student in school (including for students over the age of 18). The designated caregiver must be registered with the Maine Medical Marijuana Program. The original registry identification card and caregiver designation form must be shown to the school employee processing the request. Copies will be retained by the school.
4. If the designated caregiver is not a parent/legal guardian/legal custodian of the student, the designated caregiver must also submit verification that he/she is authorized by the State of administer marijuana to the student on school grounds.
5. Arrangements will be made between the school administration and the designated caregiver to schedule the administration of medical marijuana in a manner that will minimize disruption to school operations and the student's educational program, and that will not impact other students or employees. The designated caregiver must comply with all Board policies and school rules while on school premises to administer medical marijuana to a student.
6. Medical marijuana must be brought to school by the caregiver, and may not be held, possessed or administered by anyone other than the caregiver. The student may only possess the medical marijuana during the actual administration process. Medical marijuana administered in school must be in nonsmokeable form (vaporizers are not permitted).
7. The designated caregiver must check-in at the school office upon arrival for the administration of medical marijuana. Medical marijuana may only be administered in the following locations: designated area.

POLICY: JLCDA-R

8. The designated caregiver must check-out at the school office following administration of the medical marijuana and transport any remaining medical marijuana with him/her off school premises.
