

RSU 56 SCHOOL PLAN OF SYSTEM-WIDE STUDENT CODE OF CONDUCT

Each school shall have a plan that includes:

- 3-5 Positively stated school-wide expectations that are culturally and contextually significant to that environment.
- Teaching school-wide expectations and social/emotional skills to all students.
- A system for acknowledging appropriate student behavior.
- A system that supports and requires the use of evidenced-based classroom management strategies.
- A system that provides early and multi-tiered interventions for inappropriate behavior that includes appropriate use of a continuum of consequences.
- A clear process for promoting family and community engagement.
- A representative school-wide team that facilitates the school plan using data to make decisions.
