

PHYSICAL EXAMINATION OF STUDENTS

A physical examination is required every two years for all interscholastic athletic program participants. According to the MPA handbook appendix P a licensed physician, nurse practitioner, physician's assistant, and Doctor of Osteopathy are the only approved examiners. The School Nurse will review the Physical Exam form and the athletic director will maintain the updated electronic student physical exam list.

Parents/guardians will be required to complete a Parental Approval/Sports Medical update form yearly. The sports medical update form will be reviewed by the athletic director, kept on file in the athletic directors office and accessible for coaches at sporting events in the event of an emergency.
