Dear Ellsworth Community School Families;

Greetings! I hope you are all enjoying the beautiful stretch of “summer” weather we are experiencing this fall. While it’s hard to think about when it’s 80 degrees, we’re only a few months away from the arrival of winter.

I wanted to take this time to discuss a change to the inclement weather policy and procedures at ECS for the 2019/20 school year. I would like all of our families to be prepared for the possibility of two-hour delays for the coming winter.

We will be looking to use two hour delays on mornings where temperature or ice are issues, but we are confident that conditions will improve shortly after day-break. In such instances school will begin at 10:00 a.m. and “morning” bus pick-up times will be two hours later than usual.

Please feel free to contact the school with any questions or concerns.

Thank you,

Aaron Gaffney, Superintendent/Principal
