Re: Announcement - Eden Elementary School Principal Hire

To: All Teachers, Staff and Parents

I am excited to announce the hire of Amy Rettler as the next principal of Eden Elementary School. Amy distinguished herself throughout the process and to our interview team as a top quality applicant and great fit. Amy will officially begin on Monday, August 22, 2022, however, she will be attending this morning's staff meet and greet and this evening's parents/community meet and greet. Meet and greet details and a brief bio of Amy are below.

I would personally like to thank the Eden Elementary School teachers, staff, and interview team for their invaluable input, time, patience, dedication and caring throughout this process. It is much appreciated!

Please welcome new Eden Elementary School Principal Amy Rettler to our team. My priority will be to support Amy and EES during this transition. I look forward to working with all of you to make this a great school year.

Sincerely,

Tom Wissink

August 17th Staff and Parent/Community Meet & Greet Locations and Times

- Eden Elementary, 9:30 am - 11:00 am
- Parents/Community, MS/HS Commons, 5:00 pm - 6:30 pm

Amy Rettler Photo and Bio

It is with great excitement that I am joining the Campbellsport School District as the new principal of Eden Elementary School! I grew up in Slinger and currently live in Allenton, with my husband, Scott, and our three sons; Owen, Noah and Adam. We enjoy spending time in Eagle River, playing/watching all levels of baseball, traveling around the US, and skiing in Colorado! I love to learn new things and am always up for a new adventure or place to explore!

Upon graduating from Slinger High School, I went on to receive a Bachelor's degree in Special Education from UW-Whitewater, a Masters degree in Special Education from UW-Oshkosh, a Reading Teacher Licensure from Viterbo University, and a Masters in Educational Leadership from Cardinal Stritch University. I proudly served as a Special Education teacher for 13 years at Central Middle School in Hartford before moving into an administrative role in Fond du Lac as an Assistant Principal of Woodworth Middle School for 3 years and the Principal of Evans Elementary School for the past 5 years. I am truly looking forward to meeting the students, families, and teaching staff within the Eden and Campbellsport communities!
