dedication

The faculty of Hermon High School has worked hard preparing us for the future. But there is one member who has made a greater impression on us. Many of us have worked with him on Winter Carnival, planning assemblies, and passing out Christmas baskets. He devotes times coaching the golf team. And he's always around if you want to talk. Because of his patience, sense of humor, and guidance, we, the Senior Class of 1978, proudly dedicate the 1978 edition of the Microphone to Mr. Edwin Collins.

Tears, idle tears, I know not what they mean,
Tears from the depth of some divine despair
Rise in the heart, and gather to the eyes,
In looking on the happy autumn-fields,
And thinking of the days that are no more.

Baseball 1977

The 1976-77 season started with high expectations for the Hermon baseball team, but they finished with a 2-12 record. The Most Valuable Player of the 1976-77 team was Ed DePhilippo. The Most Improved Player and the Rookie of the Year were Brent Johnson and Mickey Ashe respectively.

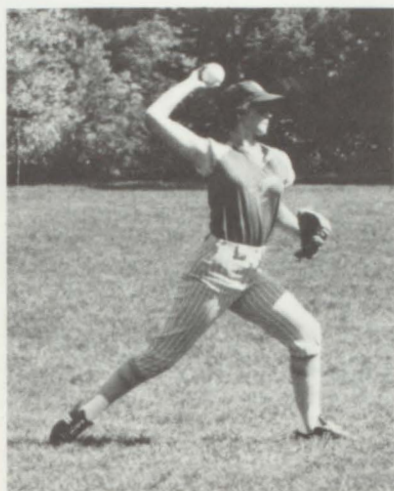

The Hawks are looking forward to a more productive season during 1977-78. One of the new additions to the team is Coach Tim Furrow, whom we would all like to welcome to Hermon High School.

Softball 1977

Class B

State Champs

At the beginning of the 1977 season the girls' team was very optimistic. They had won two consecutive Class B P.V.C. Championships in '75 and '76, becoming the first Hermon team ever to capture this title. Coming off these two championship seasons, the '77 Hawks had ten returning lettermen and were very eager to make it three titles in a row. Not only did they win their third straight Penobscot Valley title, but they won the Eastern Maine Championship and eventually the biggy - The State Championship.

The Hawks finished with a 17-2 record which included a 6-5 victory over Fort Fairfield (regionals), a 6-1 victory over Penquis Valley (Eastern Maine), and a highlight of the season, a nifty 5-0 win over Western Champs, Medomak Valley (State Title). Coach Carrigan and the entire Hermon area were extremely proud of this excellent softball team who have compiled an incredible 40-8 won-lost record over the past three championship seasons. The girls have reason to be optimistic about the '78 season since nine of the ten lettermen (women) from the state championship are returning.

Girls' State Champs Class C

CROSS COUNTRY CROSS COUNTRY CROSS COUNTRY

The Boys' Cross-Country team ended the season with a .500 record, with Jimmy Smith coming in first for Hermon in most of the meets. The steadiest performers were Walter Gurschick and Scott Palmer. We are losing only 2 seniors in Scott Garland and Scott Palmer so we should have a strong nucleus coming back.

Front row: J. Pelletier, A. Pelletier, C. Nason, M. Thayer, G. Gurschick.
Back row; Mgr. J. Ross, R. Shaw, S. Eames, Coach Small, Mgr. D. Ault, S. Babb, L. Jarvis.

The girls' team, however, enjoyed a fantastic 24-3 regular season record and a 36-3 over all record, after winning the State Cross-Country Class C Championship. Outstanding all season were Jeannie Pelletier and Andrea Pelletier, who usually shared the number 1 and 2 spots on the team. With only 2 seniors on the team, Jeannie and

Gayle, Hermon should be strong again next year.

Golf

Mr. Babb, our athletic director, spends a great deal of his time scheduling the games and practices, getting referees and making sure the gym is available when it is needed. Because of the difficulties presented by the repairs on the gym floor, his job was especially hard this year. He deserves special thanks for all his efforts.

Magazine Drive

The Magazine Drive was a huge success this year. The grand total of money taken in this year was \$4237.18 compared to last year's \$2945.

Beth Goodspeed led in the sales with \$309.06, and she received \$35. Julie Ross came in second with Joe Pelletier behind her in third place. High salesmen chose from prizes of money and gifts, and any student who sold more than ten subscriptions received \$5.

Mr. Prescott's and Mr. Small's homerooms were the tops in homeroom competition.

Seniors Tammy McGinley and Kim Estes were the magazine campaign's managers. Assistant manager was Junior Joe Carr.

DAR

The National Society of the Daughters of the American Revolution is an organization of women who can trace their ancestry to those who helped gain American independence. Their main goals are to preserve historical sites and educate for greater patriotism.

Each year a person is selected from the graduating class on the basis of dependability, service, leadership, and patriotism.

This year's DAR Good Citizen is James Haskell.

New Gym Floor

It's taken awhile, but the high school now has a beautiful new gym floor. It was quite an issue last summer when the school board, along with the citizens of Hermon, debated whether or not a new gym floor was necessary, but after many heated arguments and a sharp cut in the school budget, it was agreed upon by the majority that the old floor was unsafe and a new gym floor was essential.

The renovation of the gym floor began in August of 1977 and was completed for use in January 1978. Yes, it was a time consuming project, but the outcome was well worth it.

All - State

Hermon has three people in All State this year — Jim Haskell, All State Band, and Jane Leavitt and Steve Moor, All State Chorus. There were many high school students from all over the state, along with eight Hermon students, competing in the tryouts held at the Hermon Elementary School in the autumn of 1977.

Congratulations to the three of you!

People of Interest

We would like to thank our bus drivers and janitors for all the work they do. Through rain or shine, the bus drivers do their job of transporting students. The janitors are just as busy day after day. A special thanks goes to the janitors for staying late at night to unlock doors for the Microphone Staff!

ORACLES OF LIGHT fly by. Gold and silver coins twirl and shine in the essence of a black sky. I am soaring toward a vaporous ether and pass into a sea of time. I am standing on a carpet of flowers waiting for the justification of whether I will be cast down by a hand of torment or be caressed softly by the atmosphere of angels and harbingers. The Madonna's son gives a look of warning, though His face is motionless, that life has left and eternity is forever waiting His approval. Now, as the silence falls before me, I look back in time and wonder in terror what my punishment (if any) will be. I look through the silence at His ornamental throne. The Book of Life is opened and the simple smile on His perfect, refined face assures me that the role I played in life has been a meritorious one after all.

— Jeff Ross '78

WE HAD THE CHANCE

I knew a man once ... he had the warmest smile and the sweetest love That I had ever known.

Everyone knew him and was his friend But yet, no one reached out and took The love that he had to give.

I had the chance, you had the chance

...

But we didn't. We were too busy with Our own lives, our own little problems,

Too busy trying to make ourselves happy,

Not thinking that maybe someone else

Besides us needs some love and happiness.

Now that I've realized how happy you Or I could have made him ... it is too late.

I tried to find him, but he was gone.

I was going to look for him yesterday to tell

Him that I loved him, but I was too busy.

I guess I had too much homework to do.

Today he's gone. I loved him but I didn't

have you examined a snowflake lately?
it's an interesting hobby. you know
but you have to be Quick!
first thing to do is to find a snow storm.
they're common in Alaska, or Maine even,
if you're around in the right season.
then you stand on a snowdrift, stick out your
tongue and close your eyes.
when one of the little devils lands in your
mouth you grab it! Quick! with your
fingertips and examine it closely.
see! they're never exactly alike, some round,
some square, some no definite shape.
they're nature's finest creation in perfect detail.

— Ronda Savage '78

"Don't you think we ought to slow down?" said Me to Myself. "You are going 2000 sanouns a parsect."

"Shut up!" said Myself to Me. "We have to arrive at Argon before You."

"Please, Myself," said Me, "You has a much slower vessel. I is Who, who is in disguise, and is the one You and Me have to worry about." Myself shouted, "So you and You are joining against me. Take that!" Myself quickly pulled his laser and shot Me. Myself noticed I, who is Who in disguise, pulling up behind You through his rear viewing screen.

"Damn!" said Myself. "I is going to win. The only way out is to commit suicide." Myself died, leaving You and I to survive and finish the race, while Life just stood back and watched.

— Earlyn Bowers '78

Hey! Diddle, Diddle
NASA is in riddles
A satellite crashed into the moon.
The United States cried
To see such sport
And again, Mr. President went to court.

Tell him; he'll never know. I was too busy,.

And now, I'll never forget it.

Smile at somebody today ... Give someone

A hug and tell them that you love them.

Make someone happy. Spread your love around!

— Sheree Hodge '78

PEOPLE

Minding their own business
Even when others cry for help?
Noses high in the air
Not giving a damn about the next person.

But then, why should they?
The next person might be a killer, a burglar or even worse!

just as you might be.

Might fall in love with someone he's never

Met ... never will?

Not without a smile or hello

But no ... too risky

Pass by, nose in the air

Heart in your pocket.

Sure seems dumb to Me!

— Julie King '79
