Classified Personnel Policy Committee Minutes: September 21, 2017

Roll Call:

Dr. Janice Warren, Bennie Bowers, Emry Chesterfield, Loria Bryant, Mona Holloway, Claude Johnson, Will Reid, and Belinda Pearl.

Bonus:

Ms. Palmer could not make the meeting but Dr. Warren discussed the issue. It was decided that we should table the issue until next meeting. We will vote on it after the board meets.

Time Clock:

The memo that everyone should have been given was discussed. There were to many missed clock ins and outs.

With the board a member short, it was decided to wait until the year was up to elect another member. The concerns were if their members were being represented. It was decided that they were.

Concerns:

Security and IT need more staffing. The maintenance department are concerned over the cuts that they have endured.

Dr. Warren wants us to bring in things that can be done to boost moral. She also wants this on the agenda and the concerns of the PCSSD family.

Respectfully Submitted by

Belinda Pearl,
Secretary
