Local Tax Sources

In the process of preparing the annual budget, the Superintendent or Finance Administrator shall estimate the amount of actual local tax revenue anticipated to be raised, the rate required to produce the amount, and the rate needed to support the principal and interest payment on bonded indebtedness and general financial obligations of the District. The Superintendent shall recommend the appropriate tax rate to the Board of Education for approval.

If required, the Board shall submit to the voters a proposition for increase in the tax rate beyond the current approved level if it is deemed necessary to obtain increased revenue to meet projected District expenses. State law and Article X, Section 11C of the Missouri Constitution shall govern tax election procedures.
