Guidelines for District-wide Committees

A written description of each district-wide committee established in the District will be posted in each building explaining the goals and objectives of the committee and the method used to select members to the committee.

Each committee will write a summary report of its findings and/or recommendations and present this to the appropriate administrator. The chairperson of said committee will present this report to the Board of Education at the appropriate scheduled Board meeting.

Guidelines for District-wide Committees with Employee Representation

District-wide committees may be formed for the purpose of recommending policy changes to the administration and Board. Employees who are selected to serve on these committees should represent all buildings and/or interests of the employee group(s).
