

Two Rivers School District Dyslexia Information

In accordance with Act 1294 of 2013 and Act 1268 of 2015, the Two Rivers School District provides dyslexia services to meet the needs of students who demonstrate characteristics of dyslexia.

The dyslexia program utilized by Two Rivers School District is the *Phonics First Foundations* and Structures program.

118 students received dyslexia interventions at Two Rivers School District during the 2018-19 school year as a result of level 2 dyslexia screening. Three students opted out of interventions.

Four students had an outside independent dyslexia diagnosis during the 2018-2019 school year.
