Medfield School Committee-

I would like this donation of \$1,000 to the Medfield Public Schools to be given to the RISE Program at Medfield High School. I have been overwhelmed by their support, kindness and dedication to my daughter while she was going through a difficult time. They were there for us every step of the way and more. We are very lucky to have a program in place like this. Thank you for believing in the social and emotional well-being of all your students. It means the world to us.
