PCS Administrative Report

Grades 6-8

- ★ The splash dance was held on Aug.22nd was a great success. The weather was a little cool, but that didn't keep our students out of the water.
- ★ We held our PBIS kickoff on Aug. 23rd. We had "Minute to Win It" games to reinforce behavior expectations. The teachers have won the past two years, and they did it again this year!
- ★ We enjoyed the company of many parents/grandparents/relatives for our Lunch with a Parent/Grandparent days last week. We had good attendance. It always great to have so many take advantage of the opportunity to come in and eat with their student(s).
- ★ The fall MAP testing is in the books. The students did a great job and gave great effort. Due to going 1:1, we were able to cut our test days from six down to four.
- ★ We used our first SIP Day, on September 5, to work on introducing some concepts we will put in place from the Ron Clark Academy. Some of our teachers have already established some activities to get our students more engaged in the curriculum. There was a lot of excitement in the air as concepts were introduced and teachers gave testimonials on how well the students have done.
- ★ We used our September 12 SIP Day to hold our EdCamp. We learned more about Google and how to use it effectively
- ★ On September 8, we held grade-level meetings regarding appropriate behavior in today's society. SRO Petty, SRO Thompson, and I provided important information to our students to help them make good decisions.
- ★ Friday marks the midterm for the first quarter. Time is flying!
- ★ Homecoming-Spirit week is coming up! Our students are super excited and are looking forward to a great time next week!
- ★ PCS fall picture day is Thursday, October 3.
- ★ We are off to a great school year! I am looking forward to watching the successes of our young students.
