Parents and Guardians:

We apologize for the inconvenience associated with our notifications system. We are continuing to work with all of the involved agencies and programs to resolve the issue as soon as possible. In the meantime, we would like to suggest you load the Cameron R-I School App to your phone allowing you to receive notifications via the app. The free app is available for both Apple and Android through your app store and can be found by searching Cameron R-I School.

After downloading the app, you will need to click on the school building icon in the upper right hand corner to select your child/children's building. After you have selected the building, click on the circle located on the left side of the screen to access your settings. Within the settings, select the school and turn on your notifications. This will allow your phone to notify you when a post is made to the site including notifications, information about school closings, etc.

Sincerely,

Laurie Mefford, Assistant Superintendent
