

Cuba Middle School Math Club

Your student is invited to participate in Math Club at Cuba Middle School!

When: Tuesday and Thursday afternoons

Goal: Improve performance in math and raise their level of achievement

Activities: Small group math skills practice, pre teaching future math lessons, homework assistance, math games and more!

Focus: Specific skills that have been identified as ready to develop in order to increase achievement on math assessments

Dates:

September: 24, 26

October: 1, 3, 8, 10, 15, 18, 22, 24, 29

November: 5, 7, 12, 14, 19, 21, 26, 28

December: 3, 5, 10, 12, 17, 19

Students will meet in the library after school and enjoy a small snack before going to their groups. All students will be dismissed at **4:15** out the **Main Entrance** to the Middle-Senior High School. This service is provided to you completely *free of charge!*
